

Alliance Data Signs Agreement to Manage Credit Card Program for Diamonds International, the Caribbean's Largest Duty-Free Jeweler

June 20, 2017

- Credit card program to enhance Diamond International's track record of consistent growth; affluent clientele expected to spur continued growth

- Alliance Data's card services business selected to provide private label credit card and marketing services for growing pioneer of luxury jewelry shopping in the U.S., Caribbean and online

- Credit program will leverage Alliance Data's unique data assets to deliver custom analytics and insights to drive top-line sales and value

"This enhanced credit card program, in partnership with Alliance Data, will allow us to significantly expand the Diamonds International customer base and increase brand affinity by offering compelling financing offers, a simplified application process and convenient account management tools," said Albert Gad, co-founder of Diamonds International. "As a 'tier one' jeweler for U.S. cruise lines, we continue to define luxury in ports of call throughout the Caribbean and Alaska as well as through our website. Our credit program will provide a level of convenience and flexibility that makes our quality merchandise accessible to even more travelers and online shoppers."

Alliance Data is implementing a customized, multi-channel credit program for Diamonds International, designed to help deliver rapid approvals, incremental sales and increased transaction size. The Diamonds International credit program offers benefits exclusive to cardmembers as well as convenient, flexible payment and financing options. In addition, Diamonds International has access to Alliance Data's "in the moment" acquisition tools, in addition to advanced analytics and consumer insight capabilities.

"Diamonds International is a true category leader with a history of providing a memorable shopping experience for the finest in luxury goods and we are privileged to embark on this new relationship," said Melisa Miller, president of Alliance Data's card services business. "As a true partner for the entire customer journey, we'll use our extensive promotional financing and cross-channel marketing expertise to enhance existing strategies to keep the Diamonds International family of brands top-of-mind with customers."

About Diamonds International

Diamonds International® was established more than two decades ago. What began as one store in St. Thomas has now blossomed into more than [125 locations](#). Diamonds International is now one of the largest jewelry retailers in the world. We have more locations in the Caribbean than any other fine jeweler, and our network stretches from the company's New York City customer service call center, into Mexico and Central America and as far as Alaska. Whether enjoying a Caribbean vacation or shopping at home in the United States, thousands of people look to Diamonds International and its sister stores — Tanzanite International®, Diamonds International Watch & Design™, Luxury of Time by Diamonds International™ and the online store at [DiamondsInternational.com](#) — to provide them with luxury jewelry, elegant timepieces and the finest gemstone products at an unsurpassed value.

Forward Looking Statements

This release contains forward-looking statements within the meaning of Section 27A of the Securities Act of 1933 and Section 21E of the Securities Exchange Act of 1934. Forward-looking statements give our expectations or forecasts of future events and can generally be identified by the use of words such as "believe," "expect," "anticipate," "estimate," "intend," "project," "plan," "likely," "may," "should" or other words or phrases of similar

import. Similarly, statements that describe our business strategy, outlook, objectives, plans, intentions or goals also are forward-looking statements.

We believe that our expectations are based on reasonable assumptions. Forward-looking statements, however, are subject to a number of risks and uncertainties that could cause actual results to differ materially from the projections, anticipated results or other expectations expressed in this release, and no assurances can be given that our expectations will prove to have been correct. These risks and uncertainties include, but are not limited to, factors set forth in the Risk Factors section in our Annual Report on Form 10-K for the most recently ended fiscal year, which may be updated in Item 1A of, or elsewhere in, our Quarterly Reports on Form 10-Q filed for periods subsequent to such Form 10-K.

Our forward-looking statements speak only as of the date made, and we undertake no obligation, other than as required by applicable law, to update or revise any forward-looking statements, whether as a result of new information, subsequent events, anticipated or unanticipated circumstances or otherwise.
