**ALLIANCE DATA PROVIDES STATEMENT REGARDING FACEBOOK'S  
ANNOUNCED WIND-DOWN OF DATA PROVIDER RELATIONSHIPS**

**PLANO, TX., March 29, 2018** -- As a result of the volume of investor and analyst inquiries regarding Facebook's recent announcement regarding the wind-down of its relationships with "data brokers," the Company is issuing the following statements:

- Epsilon and its affiliates primarily help clients use their first-party data to more effectively reach consumers across many channels;
  - Neither Epsilon nor any of its affiliates has any material relationship with any social media platform -- Epsilon works primarily through non-social media channels, which enhances its ability to measure marketing ROI;
  - Epsilon and its affiliates are leaders in data privacy -- protecting consumer privacy, safeguarding data and promoting trust in marketing are fundamental to our businesses; and
  - Facebook's recently announced policy changes with respect to "data brokers" are not expected to have any material impact on Epsilon and its affiliates, or Alliance Data as a whole, and Alliance Data is reaffirming the financial guidance previously provided.
