On October 24, 2016, Alliance Data Systems Corporation (the "Company") priced an offering of \$500 million aggregate principal amount of 5.875% Senior Notes due 2021 (the "Notes"). The offering was upsized from the previously announced \$400 million principal amount. The Notes will be general senior unsecured obligations of the Company, will be guaranteed on a senior unsecured basis by certain subsidiaries of the Company, and will pay interest semi-annually, commencing on May 1, 2017. The offering of the Notes is expected to close on October 27, 2016, subject to customary closing conditions. The Company intends to use the net proceeds of the offering, including the additional net proceeds to be received by the Company due to the \$100.0 million upsized, to repay a portion of the outstanding indebtedness under its revolving credit facility and for general corporate purposes.

The Notes will be offered and sold only to qualified institutional buyers in the United States pursuant to Rule 144A under the Securities Act of 1933, as amended (the "Securities Act"), and to certain non-U.S. persons in offshore transactions in accordance with Regulation S under the Securities Act. The Notes have not been, and will not be, registered under the Securities Act or any state securities laws and may not be offered or sold in the United States absent registration or an applicable exemption from such registration requirements.

This report is neither an offer to sell nor a solicitation of an offer to buy these securities and shall not constitute an offer, solicitation, or sale in any jurisdiction in which such offer, solicitation, or sale is unlawful.

Our forward-looking statements speak only as of the date made, and we undertake no obligation, other than as required by applicable law, to update or revise any forward-looking statements, whether as a result of new information, subsequent events, anticipated or unanticipated circumstances or otherwise.
