## Item 1.01 Entry into a Material Definitive Agreement.

### **Second Amendment to Credit Agreement; Additional Term Loans and Increased Revolving Commitments**

On March 30, 2012, Alliance Data Systems Corporation (the “**Company**”), as “**Borrower**,” and ADS Alliance Data Systems, Inc., ADS Foreign Holdings, Inc., Alliance Data Foreign Holdings, Inc., Epsilon Marketing Services, LLC, Epsilon Data Management, LLC, Comenity LLC and Alliance Data FHC, Inc. (collectively, the “**Guarantors**”) entered into a Second Amendment (the “**Second Amendment**”) to their Credit Agreement dated as of May 24, 2011 with SunTrust Bank and Wells Fargo Bank, N.A. (successor to Bank of Montreal), as co-administrative agents, Wells Fargo Bank, N.A. (successor to Bank of Montreal), as administrative agent and letter of credit issuer, and various other agents and lenders (as so amended, the “**Credit Agreement**”). On March 30, 2012, the Company also increased the revolving credit commitments under the Credit Agreement by \$125 million and borrowed additional term loans under the Credit Agreement in the aggregate principal amount of \$125.5 million.

The Second Amendment, among other things, (i) extends the maturity date of certain term loans under the Credit Agreement from May 24, 2016 to May 24, 2017, (ii) creates a mechanism by which in the future non-extending term loan lenders may extend their term loans to May 24, 2017, (iii) appoints Wells Fargo Bank, N.A. as successor administrative agent and co-administrative agent and as letter of credit issuer under the Credit Agreement in place of Bank of Montreal, (iv) reflects the additional term loans and the increase in the revolving credit commitments and (v) provides for aggregate principal payments equal to 5% of the extended term loan amount in the additional year of the extended term loans, payable in equal quarterly installments. The Company obtained increased lending commitments under the Credit Agreement from Bank of America, N.A., JPMorgan Chase Bank, N.A., Wells Fargo Bank, N.A., The Northern Trust Company and Modern Bank, N.A., all of which were parties to the Credit Agreement. In addition, the Company added Regions Bank, N.A. and Fifth Third Bank as additional lenders under the Credit Agreement.

The Credit Agreement contains customary events of default and negative covenants for credit agreements of this type as well as certain financial covenants. Including those amendments that were made in September 2011, all of these terms remain unchanged.

The preceding summary of the Second Amendment is qualified in its entirety by reference to the full text of such agreement, a copy of which is attached as Exhibit 10.1 hereto and incorporated by reference herein.

### **Purchase Agreement**

The Company previously reported in a Current Report on Form 8-K that the Company entered into a purchase agreement on March 22, 2012 (the “**Purchase Agreement**”) under which it agreed to sell \$500 million aggregate principal amount of its 6.375% senior notes due 2020 (the “**Notes**”) at an issue price of 100% of the aggregate principal amount of the Notes, plus any accrued interest thereon, to certain initial purchasers named therein (collectively, the “**Initial Purchasers**”). The offering of the Notes closed on March 29, 2012. A description of the material terms of the Purchase Agreement is included in the Company’s Current Report on Form 8-K filed with the Securities and Exchange Commission on March 28, 2012.

---

## Indenture

The Notes are governed by an indenture (the “**Indenture**”) dated March 29, 2012 among the Company, certain of its subsidiaries as guarantors and Wells Fargo Bank, N.A., as trustee (the “**Trustee**”). Pursuant to the Indenture, interest on the Notes will accrue at a rate of 6.375% per annum on the principal amount from March 29, 2012, payable semi-annually in arrears on April 1 and October 1 of each year, beginning on October 1, 2012. The Notes will mature on April 1, 2020 (the “**Maturity Date**”), subject to earlier repurchase or redemption.

### *Guarantees*

The Notes are guaranteed on a senior unsecured basis by each of our existing and future domestic subsidiaries that guarantees our Credit Agreement.

### *Ranking*

The Notes and the guarantees will rank equally in right of payment with the Company’s and guarantors’ existing and future senior unsecured debt, including indebtednesses under the Credit Agreement, and senior in right of payment to the Company’s and guarantors’ future debt that is expressly subordinated in right of payment to the Notes or guarantees. The Notes and the guarantees will be effectively subordinated to the Company’s and guarantors’ secured debt, if any, to the extent of the value of the assets securing such debt. The Notes will be structurally subordinated to all existing and future liabilities (including trade payables) of the Company’s subsidiaries that do not guarantee the Notes.

### *Optional Redemption*

Prior to April 1, 2016, the Company may redeem some or all of the Notes at any time at a redemption price equal to 100% of the principal amount of the Notes, plus accrued and unpaid interest, if any, to the applicable redemption date and the applicable premium, as defined in the Indenture. On or after April 1, 2016 and prior to April 1, 2017, the Company may redeem some or all of the Notes at any time at a redemption price equal to 103.188% of the principal amount of the Notes, plus accrued and unpaid interest, if any, to the applicable redemption date. On or after April 1, 2017 and prior to April 1, 2018, the Company may redeem some or all of the Notes at any time at a redemption price equal to 101.594% of the principal amount of the Notes, plus accrued and unpaid interest, if any, to the applicable redemption date. On or after April 1, 2018, the Company may redeem some or all of the Notes at any time at a redemption price equal to 100% of the principal amount of the Notes, plus accrued and unpaid interest, if any, to the applicable redemption date. In addition, at any time prior to April 1, 2015, the Company may, with the cash proceeds of one or more qualified equity offerings, as defined in the Indenture, redeem up to 35% of the aggregate principal amount of the outstanding Notes at a redemption price equal to 106.375% of the principal amount of the Notes, plus accrued and unpaid interest, if any, to the applicable redemption date, provided that such redemption occurs within 90 days following the closing of any such qualified equity offering.

### *Change of Control; Mandatory Offer to Repurchase Following Certain Asset Sales*

Upon the occurrence of certain kinds of changes of control, the Company must offer to purchase the Notes at 101% of their principal amount, plus accrued and unpaid interest to the date of purchase. Within 365 days after the sale of certain assets of the Company or its restricted subsidiaries, as defined in the Indenture, the Company must either repay certain debt or reinvest the excess proceeds of such assets sales as set forth in the Indenture. Upon any failure to repay or repurchase, the Company must offer to use such excess proceeds to repurchase the Notes on the terms set forth in the Indenture.

---

### *Covenants*

The Indenture contains covenants that limit, among other things, the Company's ability and the ability of some of its subsidiaries to (i) incur additional debt, (ii) declare or pay dividends, redeem stock or make other distributions to stockholders, (iii) make investments, (iv) create liens or use assets as security in other transactions, (v) merge or consolidate, or sell, transfer, lease or dispose of substantially all of the Company's assets, (vi) enter into transactions with affiliates, (vii) sell or transfer certain assets and (viii) enter into any consensual encumbrance or restriction on the ability of certain of the Company's subsidiaries to pay dividends or make loans or sell assets.

### *Events of Default*

The Indenture includes customary events of default, including, among other things, payment default, covenant default, certain defaults under other indebtedness of the Company or certain of its subsidiaries, the failure to timely satisfy judgments over a certain sum against the Company or certain of its subsidiaries, and bankruptcy, insolvency or reorganization affecting the Company or certain of its subsidiaries.

### *No Registration Rights*

The Company will not file a registration statement for the resale of the Notes. As a result, holders may only resell the Notes pursuant to an exemption from the registration requirements of the Securities Act of 1933, as amended (the "**Securities Act**"), to the extent available, and other applicable securities laws.

The description of the Indenture herein is qualified in its entirety by reference to the full text of such Indenture, a copy of which is attached as Exhibit 4.1 hereto and incorporated by reference herein.

### **Use of Proceeds**

After deducting the fees payable to the Initial Purchasers and the estimated offering expenses, the net proceeds to the Company from the offering of Notes are estimated to be approximately \$486 million. Concurrently with the Second Amendment, the Company borrowed \$125.5 million of additional term loans. The Company used the net proceeds of the offering of the Notes and the proceeds of the additional term loans to repay approximately \$396 million of outstanding indebtedness under the Company's revolving credit facility included in the Credit Agreement and for general corporate purposes. As of March 31, 2012, borrowings under the Credit Agreement were approximately \$918 million, with a weighted average interest rate of 2.25%.

Several of the Initial Purchasers and their respective affiliates have engaged in transactions with and performed various financial advisory, investment banking and commercial banking services for the Company in the past, for which they have received compensation, are currently doing so and may do so from time to time in the future. In addition, the Company has provided services to several Initial Purchasers and their respective affiliates in the past, for which the Company has received compensation, is currently doing so and may do so from time to time in the future. Affiliates of several Initial Purchasers are lenders under the Credit Agreement, which includes both a revolving facility and a term loan, and conduit facilities and may be holders of the Company's convertible senior notes. An affiliate of SunTrust Robinson Humphrey, Inc. is a lead arranger, book runner, and the syndication agent, and affiliates of Merrill Lynch, Pierce, Fenner & Smith Incorporated, J.P. Morgan Securities Inc., Barclays Capital Inc., RBC Capital Markets, LLC, RBS Securities Inc. and Wells Fargo Securities, LLC are co-documentation agents under the Credit Agreement, the revolving facility of which the Company paid down with a portion of the net proceeds of the offering of the Notes. Affiliates of Merrill Lynch, Pierce, Fenner & Smith Incorporated and J.P. Morgan Securities Inc. are counterparties under the Company's convertible note hedges and warrants and engage in hedging transactions from time to time in the Company's stock in connection with those instruments. In addition, an affiliate of Merrill Lynch, Pierce, Fenner & Smith Incorporated owns more than 5% of the Company's outstanding common stock.

---

The Notes and the guarantees (together, the “**Securities**”) have not been registered under the Securities Act. The Company offered and sold the Securities to the Initial Purchasers in reliance on the exemption from registration requirements provided by Section 4(2) of the Securities Act. The Company relied on this exemption from registration requirements in part based on representations made by the Initial Purchasers in the Purchase Agreement. The Initial Purchasers then sold the Securities to qualified institutional buyers pursuant to the exemption from registration requirements provided by Rule 144A under the Securities Act. This Current Report on Form 8-K does not constitute an offer to sell nor a solicitation of an offer to buy any security and shall not constitute an offer, solicitation or sale in any jurisdiction in which such offer, solicitation or sale would be unlawful.

## ARTICLE 2 THE NOTES

### Section 2.01 *Amount of Notes.*

The Trustee shall initially authenticate and deliver the Notes for original issue on the Issue Date in an aggregate principal amount of \$500,000,000 of the Notes upon a written order of the Company in the form of a Company Order. In addition, at any time and from time to time, the Trustee shall upon a written order of the Company in the form of a Company Order authenticate and deliver any additional Notes (“*Additional Notes*”) in unlimited aggregate principal amount (so long as permitted by the terms of this Indenture, including, without limitation, Section 4.09 hereof). Each such written order shall specify the amount of Notes to be authenticated, the date on which the Notes are to be authenticated. All the Notes issued under this Indenture shall be consolidated with and form a single class with the Notes and shall have the same terms as to status waivers, amendments, offers to purchase, redemptions or otherwise as the Notes.

Notwithstanding anything else in this Indenture to the contrary, at the Company’s option, Additional Notes may be issued with the same CUSIP number as the Initial Notes and without the Private Placement Legend, *provided* that the Company has furnished an Opinion of Counsel to the Trustee confirming that such issuance would not conflict with federal and state securities laws and the rules and regulations of the Commission.

### Section 2.02 *Form and Dating; Terms.*

(a) The Notes and the Trustee’s certificate of authentication shall be substantially in the form of Exhibit A hereto. The Notes may have notations, legends or endorsements required by law, stock exchange rules or usage. Each Note shall be dated the date of its authentication. The Notes shall be in minimum denominations of \$2,000 and integral multiples of \$1,000 in excess thereof.

(b) Notes issued in global form shall be substantially in the form of Exhibit A hereto (including the Global Note Legend thereon and the “Schedule of Exchanges of Interests in the Global Note” attached thereto). Notes issued in definitive form shall be substantially in the form of Exhibit A attached hereto (but without the Global Note Legend thereon and without the “Schedule of Exchanges of Interests in the Global Note” attached thereto). Each Global Note shall represent such of the outstanding Notes as shall be specified in the “Schedule of Exchanges of Interests in the Global Note” attached thereto and each shall provide that it shall represent up to the aggregate principal amount of Notes from time to time endorsed thereon and that the aggregate principal amount of outstanding Notes represented thereby may from time to time be reduced or increased, as applicable, to reflect exchanges and redemptions and transfers of interests. Any endorsement of a Global Note to reflect the amount of any increase or decrease in the aggregate principal amount of outstanding Notes represented thereby shall be

made by the Trustee or the Trustee, as custodian with respect to the Notes in global form or any successor entity thereof, at the direction of the Trustee, in accordance with instructions given by the Holder thereof as required by Section 2.07 hereof.

(c) The aggregate principal amount of Notes that may be authenticated and delivered under this Indenture is unlimited.

The terms and provisions contained in the Notes shall constitute, and are hereby expressly made, a part of this Indenture and the Company, the Guarantors and the Trustee, by their execution and delivery of this Indenture, expressly agree to such terms and provisions and to be bound thereby. However, to the extent any provision of any Note conflicts with the express provisions of this Indenture, the provisions of this Indenture shall govern and be controlling.

The Notes shall be subject to repurchase by the Company pursuant to an Asset Sale Offer as provided in Section 4.10 hereof or a Change of Control Offer as provided in Section 4.13 hereof. The Notes shall not be redeemable, other than as provided in Article 3.

Additional Notes ranking *pari passu* with the Notes may be created and issued from time to time by the Company without notice to or consent of the Holders and shall be consolidated with and form a single class with the Notes and shall have the same terms as to status, waivers, amendments, offers to purchase, redemption or otherwise as the Notes; *provided* that the Company's ability to issue Additional Notes shall be subject to the Company's compliance with Section 4.09 hereof. Additional Notes shall have identical terms as the Initial Notes, other than with respect to the date of issuance and issue price.

#### Section 2.03 *Execution and Authentication.*

The Notes shall be executed on behalf of the Company by its Chairman of the Board, Chief Executive Officer, Chief Financial Officer, President, any Vice President or Treasurer. The signature of any of these officers on the Notes may be manual or facsimile.

If an officer whose signature is on a Note was an officer at the time of such execution but no longer holds that office at the time the Trustee authenticates the Note, the Note shall be valid nevertheless.

No Note shall be entitled to any benefit under this Indenture or be valid or obligatory for any purpose unless there appears on such Note a certificate of authentication substantially in the form provided for herein executed by the Trustee by manual signature, and such certificate upon any Note shall be conclusive evidence, and the only evidence, that such Note has been duly authenticated and delivered hereunder. Notwithstanding the foregoing, if any Note shall have been authenticated and delivered hereunder but never issued and sold by the Company, and the Company shall deliver such Note to the Trustee for cancellation as provided in Section 2.12 hereof, for all purposes of this Indenture such Note shall be deemed never to have been authenticated and delivered hereunder and shall never be entitled to the benefits of this Indenture.

The Notes shall be issuable only in fully registered form without coupons in denominations of \$2,000 and any integral multiple of \$1,000 in excess thereof.

#### Section 2.04 *Registrar and Paying Agent.*

payment (the “*Paying Agent*”) and an office or agency where notices and demands to or upon the Company, if any, in respect of the Notes and this Indenture may be served. The Registrar shall keep a register of the Notes and of their transfer and exchange. The Company may have one or more additional Paying Agents. The term “*Paying Agent*” includes any additional Paying Agent.

The Company shall enter into an appropriate agency agreement with any Agent that is not a party to this Indenture. The agreement shall implement the provisions of this Indenture that relate to such Agent. The Company shall notify the Trustee in writing of the name and address of any such Agent. If the Company fails to maintain a Registrar or Paying Agent, or fails to give the foregoing notice, the Trustee shall act as such and shall be entitled to appropriate compensation in accordance with Section 7.06 hereof.

The Company or any of its Subsidiaries may act as Paying Agent.

Section 2.05 *Paying Agent To Hold Money in Trust.*

Each Paying Agent shall hold in trust for the benefit of the Holders or the Trustee all money held by the Paying Agent for the payment of principal of, premium, if any, or interest on the Notes (whether such money has been paid to it by the Company or any other obligor on the Notes), and the Company and the Paying Agent shall notify the Trustee in writing of any default by the Company (or any other obligor on the Notes) in making any such payment. Money held in trust by the Paying Agent need not be segregated except as required by law and in no event shall the Paying Agent be liable for any interest on any money received by it hereunder; *provided* that if the Company or an Affiliate thereof acts as Paying Agent, it shall segregate the money held by it as Paying Agent and hold such money in a separate trust fund. The Company at any time may require the Paying Agent to pay all money held by it to the Trustee and account for any funds disbursed, and the Trustee may at any time during the continuance of any Event of Default specified in Section 6.01(1) or (2) hereof, upon written request to the Paying Agent, require the Paying Agent to pay forthwith all money so held by it to the Trustee and to account for any funds disbursed. Upon making such payment, the Paying Agent shall have no further liability for the money delivered to the Trustee.

Section 2.06 *Holder Lists.*

The Trustee shall preserve in as current a form as is reasonably practicable the most recent list available to it of the names and addresses of the Holders and shall otherwise comply with Trust Indenture Act Section 312(a). If the Trustee is not the Registrar, the Company shall furnish to the Trustee at least five Business Days before each Interest Payment Date, and at such other times as the Trustee may request in writing, a list in such form and as of such date as the Trustee may reasonably require of the names and addresses of the Holders as of the March 15 or September 15, as applicable, immediately preceding such Interest Payment Date or such other date as the Trustee requests and the Company shall otherwise comply with Trust Indenture Act Section 312(a); *provided* that, as long as the Trustee is the Registrar, no such list need be furnished.

The Restricted Period shall be terminated upon the receipt by the Trustee of an Officers' Certificate certifying that the Restricted Period may be terminated in accordance with Regulation S. Beneficial interests in any Unrestricted Global Note may be transferred to Persons who take delivery thereof in the form of a beneficial interest in an Unrestricted Global Note. No written orders or instructions shall be required to be delivered to the Registrar to effect the transfers described in this Section 2.07(b)(1).

Upon receipt of a request for such an exchange or transfer, the Trustee shall cancel the applicable Unrestricted Certificated Note and increase or cause to be increased the aggregate principal amount of one of the Unrestricted Global Notes.

If any such exchange or transfer from a Unrestricted Certificated Note to a beneficial interest is effected pursuant to subparagraph (2) or (3) above at a time when an Unrestricted Global Note has not yet been issued, the Company shall issue and, upon receipt of an Authentication Order in accordance with Section 2.03 hereof, the Trustee shall authenticate one or more Unrestricted Global Notes in an aggregate principal amount equal to the principal amount of Unrestricted Certificated Notes so transferred.

(e) *Transfer and Exchange of Certificated Notes for Certificated Notes.* Upon request by a Holder of Certificated Notes and such Holder's compliance with the provisions of this Section 2.07(e), the Registrar shall register the transfer or exchange of Certificated Notes. Prior to such registration of transfer or exchange, the requesting Holder shall present or surrender to the Registrar the Certificated Notes duly endorsed or accompanied by a written instruction of transfer substantially in the form of Exhibit B attached hereto, duly executed by such Holder or by its attorney, duly authorized in writing. In addition, the requesting Holder shall provide any additional certifications, documents and information, as applicable, required pursuant to the following provisions of this Section 2.07(e):

(1) *Restricted Certificated Notes to Restricted Certificated Notes.* Any Restricted Certificated Note may be transferred to and registered in the name of Persons who take delivery thereof in the form of a Restricted Certificated Note if the Registrar receives the following:

(A) if the transfer will be made pursuant to a QIB in accordance with Rule 144A, then the transferor must deliver a certificate substantially in the form of Exhibit B hereto, including the certifications in item (1) thereof;

(B) if the transfer will be made pursuant to Rule 903 or Rule 904 then the transferor must deliver a certificate substantially in the form of Exhibit B hereto, including the certifications in item (2) thereof; or

(2) *Restricted Certificated Notes to Unrestricted Certificated Notes.* Any Restricted Certificated Note may be exchanged by the Holder thereof for an Unrestricted Certificated Note or transferred to a Person or Persons who take delivery thereof in the form of an Unrestricted Certificated Note and the Registrar receives the following:

(i) if the Holder of such Restricted Certificated Notes proposes to exchange such Notes for an Unrestricted Certificated Note, a certificate from

such Holder substantially in the form of Exhibit C hereto, including the certifications in item (1)(d) thereof; or

(ii) if the Holder of such Restricted Certificated Notes proposes to transfer such Notes to a Person who shall take delivery thereof in the form of an Unrestricted Certificated Note, a certificate from such Holder substantially in the form of Exhibit B hereto, including the certifications in item (4) thereof;

and, in each such case set forth in this paragraph, if the Registrar or the Company so requests, an Opinion of Counsel in form reasonably acceptable to the Registrar and the Company to the effect that such exchange or transfer is in compliance with the Securities Act and that the restrictions on transfer contained herein and in the Private Placement Legend are no longer required in order to maintain compliance with the Securities Act.

(3) *Unrestricted Certificated Notes to Unrestricted Certificated Notes.* A Holder of Unrestricted Certificated Notes may transfer such Notes to a Person who takes delivery thereof in the form of an Unrestricted Certificated Note. Upon receipt of a request to register such a transfer, the Registrar shall register the Unrestricted Certificated Notes pursuant to the instructions from the Holder thereof.

(f) *Legends.* The following legends shall appear on the face of all Global Notes and Certificated Notes issued under this Indenture unless specifically stated otherwise in the applicable provisions of this Indenture:

(1) *Private Placement Legend.*

(B) Notwithstanding the foregoing, any Global Note or Certificated Note issued pursuant to subparagraph (b)(4), (c)(2), (c)(3), (d)(2), (d)(3), (e)(2) or (e)(3) of this Section 2.07 (and all Notes issued in exchange therefor or substitution thereof) shall not bear the Private Placement Legend.

(2) *Global Note Legend.* Each Global Note shall bear a legend in substantially the following form:

“THIS NOTE IS A GLOBAL NOTE WITHIN THE MEANING OF THE INDENTURE HEREINAFTER REFERRED TO AND IS REGISTERED IN THE NAME OF A DEPOSITARY OR A NOMINEE OF A DEPOSITARY. THIS NOTE IS NOT EXCHANGEABLE FOR NOTES REGISTERED IN THE NAME OF A PERSON OTHER THAN THE DEPOSITARY OR ITS NOMINEE EXCEPT IN THE LIMITED CIRCUMSTANCES DESCRIBED IN THE INDENTURE, AND NO TRANSFER OF THIS NOTE (OTHER THAN A TRANSFER OF THIS NOTE AS A WHOLE BY THE DEPOSITARY TO A NOMINEE OF THE DEPOSITARY OR BY A NOMINEE OF THE DEPOSITARY TO THE DEPOSITARY OR ANOTHER NOMINEE OF THE DEPOSITARY) MAY BE REGISTERED EXCEPT IN THE LIMITED CIRCUMSTANCES DESCRIBED IN THE INDENTURE.

(g) *Cancellation and/or Adjustment of Global Notes.* At such time as all beneficial interests in a particular Global Note have been exchanged for Certificated Notes or a particular Global Note has been redeemed, repurchased or canceled in whole and not in part, each such Global Note shall be returned to or retained and canceled by the Trustee in accordance with Section 2.12 hereof. At any time prior to such cancellation, if any beneficial interest in a Global Note is exchanged for or transferred to a Person who will take delivery thereof in the form of a beneficial interest in another Global Note or for Certificated Notes, the principal amount of Notes represented by such Global Note shall be reduced accordingly and an endorsement shall be made on such Global Note by the Trustee or by the Depositary at the direction of the Trustee to reflect such reduction; and if the beneficial interest is being exchanged for or transferred to a Person who will take delivery thereof in the form of a beneficial interest in another Global Note, such other Global Note shall be increased accordingly and an endorsement shall be made on such Global Note by the Trustee or by the Depositary at the direction of the Trustee to reflect such increase.

(h) *General Provisions Relating to Transfers and Exchanges.*

(1) To permit registrations of transfers and exchanges, the Company shall execute and the Trustee shall authenticate Global Notes and Certificated Notes upon receipt of an Authentication Order in accordance with Section 2.03 hereof or at the Registrar's request.

(2) No service charge shall be made to a holder of a beneficial interest in a Global Note or to a Holder of a Certificated Note for any registration of transfer or exchange, but the Company may require payment of a sum sufficient to cover any transfer tax or similar governmental charge payable in connection therewith (other than any such transfer taxes or similar governmental charge payable upon exchange or transfer pursuant to Sections 2.08, 2.11, 3.06, 4.10, 4.13 and 8.04 hereof).

(3) Neither the Registrar nor the Company shall be required to register the transfer of or exchange any Note selected for redemption in whole or in part, except the unredeemed portion of any Note being redeemed in part.

(4) All Global Notes and Certificated Notes issued upon any registration of transfer or exchange of Global Notes or Certificated Notes shall be the valid obligations of the Company, evidencing the same debt, and entitled to the same benefits under this Indenture, as the Global Notes or Certificated Notes surrendered upon such registration of transfer or exchange.

(5) The Company shall not be required (A) to issue, to register the transfer of or to exchange any Notes during a period beginning at the opening of business 30 days before the day of any selection of Notes for redemption under Section 3.02 hereof and ending at the close of business on the day of selection, (B) to register the transfer of or to exchange any Note so selected for redemption in whole or in part, except the unredeemed portion of any Note being redeemed in part or (C) to register the transfer of or to exchange a Note between a Record Date and the next succeeding Interest Payment Date.

(6) Prior to due presentment for the registration of a transfer of any Note, the Trustee, any Agent and the Company may deem and treat the Person in whose name any Note is registered as the absolute owner of such Note for the purpose of receiving payment of principal of (and premium, if any) and interest on such Notes and for all other purposes, and none of the Trustee, any Agent or the Company shall be affected by notice to the contrary.

(7) Upon surrender for registration of transfer of any Note at the office or agency of the Company designated pursuant to Section 4.02 hereof, the Company shall execute, and the Trustee shall authenticate and mail, in the name of the designated transferee or transferees, one or more replacement Notes of any authorized denomination or denominations of a like aggregate principal amount.

(8) At the option of the Holder, Notes may be exchanged for other Notes of any authorized denomination or denominations of a like aggregate principal amount upon surrender of the Notes to be exchanged at such office or agency; *provided* that such exchange is made in accordance with Section 2.07 hereof. Whenever any Global Notes or Certificated Notes are so surrendered for exchange, the Company shall execute, and the Trustee shall authenticate and mail, the replacement Global Notes and Certificated Notes which the Holder making the exchange is entitled to in accordance with the provisions of Section 2.07 hereof.

(9) All certifications, certificates and Opinions of Counsel required to be submitted to the Registrar pursuant to this Section 2.07 to effect a registration of transfer or exchange may be submitted by facsimile.

(10) The Trustee shall have no obligation or duty to monitor, determine or inquire as to compliance with any restrictions on transfer that may be imposed under this Indenture with respect to the Notes pursuant to the terms hereof or under applicable law, other than to require delivery of such certificates, documentation or other evidence as are expressly required by, and to do so if and when expressly required by, this Indenture or the terms of the Notes.

#### Section 2.08 *Replacement Notes.*

If a mutilated Note is surrendered to the Registrar or the Trustee, or if the Holder of a Note claims that the Note has been lost, destroyed or wrongfully taken, the Company shall issue and the Trustee shall authenticate a replacement Note if the Holder of such Note furnishes to the Company and the Trustee evidence reasonably acceptable to them of the ownership and the destruction, loss or theft of such Note and if the requirements of Section 8-405 of the New York Uniform Commercial Code as in effect on the date of this Indenture are met. If required by the Trustee or the Company, an indemnity bond shall be posted, sufficient in the judgment of all to protect the Company, the Trustee or any Paying Agent from any loss that any of them may suffer if such Note is replaced. The Company may charge such Holder for the Company's reasonable out-of-pocket expenses in replacing such Note and the Trustee may charge the Company for the Trustee's expenses (including, without limitation, attorneys' fees and disbursements) in replacing such Note. Every replacement Note shall constitute a contractual obligation of the Company.

#### Section 2.09 *Outstanding Notes.*

The Notes outstanding at any time are all Notes that have been authenticated by the Trustee except for (a) those canceled by it, (b) those delivered to it for cancellation, (c) to the extent set forth in Sections 9.01 and 9.02 hereof, on or after the date on which the conditions set forth in Section 9.01 or 9.02 hereof have been satisfied, those Notes theretofore authenticated and delivered by the Trustee hereunder and (d) those described in this Section 2.09 as not outstanding. Subject to Section 2.10 hereof, a Note does not cease to be outstanding because the Company or one of its Affiliates holds the Note.

If a Note is replaced pursuant to Section 2.08 hereof, it ceases to be outstanding unless the Trustee receives proof satisfactory to it that the replaced Note is held by a bona fide purchaser in whose hands such Note is a legal, valid and binding obligation of the Company.

If the Paying Agent holds, in its capacity as such, on any Maturity Date, money sufficient to pay all accrued interest and principal with respect to the Notes payable on that date and is not prohibited from paying such money to the Holders thereof pursuant to the terms of this Indenture, then on and after that date such Notes cease to be outstanding and interest on them ceases to accrue.

Section 2.10 *Treasury Notes.*

In determining whether the Holders of the required principal amount of Notes have concurred in any declaration of acceleration or notice of default or direction, waiver or consent or any amendment, modification or other change to this Indenture, Notes owned by the Company or any other Affiliate of the Company shall be disregarded as though they were not outstanding, except that for the purposes of determining whether the Trustee shall be protected in relying on any such direction, waiver or consent or any amendment, modification or other change to this Indenture, only Notes as to which a Responsible Officer of the Trustee has actually received an Officers' Certificate stating that such Notes are so owned shall be so disregarded. Notes so owned which have been pledged in good faith shall not be disregarded if the pledgee established to the satisfaction of the Trustee the pledgee's right so to act with respect to the Notes and that the pledgee is not the Company or any other obligor on the Notes or any of their respective Affiliates.

Section 2.11 *Temporary Notes.*

Until definitive Notes are prepared and ready for delivery, the Company may prepare and the Trustee shall authenticate temporary Notes. Temporary Notes shall be substantially in the form of definitive Notes but may have variations that the Company considers appropriate for temporary Notes. Without unreasonable delay, the Company shall prepare and the Trustee shall authenticate definitive Notes in exchange for temporary Notes. Until such exchange, temporary Notes shall be entitled to the same rights, benefits and privileges as definitive Notes.

Section 2.12 *Cancellation.*

The Company at any time may deliver Notes to the Trustee for cancellation. The Registrar and the Paying Agent shall forward to the Trustee any Notes surrendered to them for registration of transfer, exchange or payment. The Trustee shall cancel all Notes surrendered for registration of transfer, exchange, payment, replacement or cancellation and shall dispose of such canceled Notes in accordance with its customary procedures. The Trustee shall deliver a certificate to the Company with respect to canceled certificates upon written request. The Company may not reissue or resell, or issue new Notes to replace Notes that the Company has redeemed or paid, or that have been delivered to the Trustee for cancellation (other than in accordance with this Indenture).

Section 2.13 *Defaulted Interest.*

If the Company defaults on a payment of interest on the Notes, it shall pay the defaulted interest, plus (to the extent permitted by law) any interest payable on the defaulted interest, in accordance with the terms hereof, to the Persons who are Holders on a subsequent special record date, which date shall be at least five Business Days prior to the payment date. The Company shall fix such special record date and payment date in a manner satisfactory to the Trustee. At least 10 days before such special record date, the Company shall mail to each Holder a notice that states the special record date, the payment date and the amount of defaulted interest, and interest payable on defaulted interest, if any, to be paid. The Company may make payment of any defaulted interest in any other lawful manner not inconsistent with the requirements (if applicable) of any securities exchange on which the Notes may be listed and, upon such notice as may be required by such exchange, if, after written notice given by the Company to the Trustee of the proposed payment pursuant to this sentence, such manner of payment shall be deemed practicable by the Trustee.

Section 2.14 *CUSIP Number.*

The Company in issuing the Notes may use a “CUSIP,” “ISIN” or other similar number, and if so, such CUSIP, ISIN or other similar number shall be included in notices of redemption or exchange as a convenience to Holders; *provided* that any such notice may state that no representation is made as to the correctness or accuracy of the CUSIP, ISIN or other similar number printed in the notice or on the Notes, and that reliance may be placed only on the other identification numbers printed on the Notes. The Company shall promptly notify the Trustee in writing of any such CUSIP, ISIN or other similar number used by the Company in connection with the issuance of the Notes and of any change in the CUSIP, ISIN or other similar number.

Section 2.15 *Deposit of Moneys.*

Prior to 11:00 a.m., New York City time, on each Interest Payment Date and Maturity Date, the Company shall have deposited with the Paying Agent in immediately available funds money sufficient to make cash payments, if any, due on such Interest Payment Date or Maturity Date, as the case may be. The principal and interest on a Global Note shall be payable by the Trustee to the Depositary of such Global Note or its nominee, as the case may be, as the sole registered owner and the sole Holder of the Notes represented thereby. The principal and interest on Certificated Notes shall be payable, either in person or by mail, at the office of the Paying Agent.

Section 2.16 *Computation of Interest.*

Interest on the Notes shall be computed on the basis of a 360-day year comprised of twelve 30-day months.

ARTICLE 3  
REDEMPTION AND PREPAYMENT

Section 3.01 *Election To Redeem; Notices to Trustee.*

If the Company elects to redeem Notes, pursuant to this Article 3, at least 30 days prior to the Redemption Date but not more than 60 days prior to the Redemption Date, the Company shall notify the Trustee in writing of the Redemption Date and the principal amount of such Notes to be redeemed and the Redemption Price, and deliver to the Trustee, no later than two Business Days prior to the Redemption Date, an Officers’ Certificate stating that such redemption will comply with the conditions contained this Article 3. Notice given to the Trustee pursuant to this Section 3.01 may, at the Company’s discretion, be subject to the satisfaction of one or more conditions precedent.

Section 3.02 *Selection by Trustee of Notes To Be Redeemed.*

If less than all of the Notes are to be redeemed, the Trustee will select the Notes or portions thereof in authorized denominations to be redeemed by lot, *pro rata* or by any other method customarily authorized by the clearing systems (subject to DTC procedures). No Notes of \$2,000 or less shall be redeemed in part and no redemption shall result in a Holder holding a Note of less than \$2,000.

The Trustee shall promptly notify the Company of the Notes selected for redemption and, in the case of any partial redemption, the principal amount thereof to be redeemed. For all purposes of this Indenture unless the context otherwise requires, provisions of this Indenture that apply to Notes called for redemption also apply to portions of Notes called for redemption.

Section 3.03 *Notice of Redemption.*

Notices of redemption shall be sent electronically to DTC, in the case of Global Notes, or shall be mailed by first-class mail, in the case of Certificated Notes upon not less than 30 nor more than 60 days before the Redemption Date to each Holder of Notes to be redeemed at its registered address.

The notice shall identify the Notes to be redeemed (including the CUSIP numbers thereof) and shall state:

- (1) the Redemption Date;
  - (2) the Redemption Price;
  - (3) if any Note is to be redeemed in part only, the portion of the principal amount of such Note to be redeemed and that, after the Redemption Date and upon surrender of such Note, a new Note or Notes in principal amount equal to the unredeemed portion will be issued;
  - (4) the name and address of the Paying Agent;
  - (5) that Notes called for redemption must be surrendered to the Paying Agent to collect the Redemption Price;
  - (6) that unless the Company defaults in making the redemption payment, interest on Notes called for redemption ceases to accrue on and after the Redemption Date;
  - (7) if such notice is conditioned upon the occurrence of one or more conditions precedent, the nature of such conditions precedent;
  - (8) the aggregate principal amount of Notes that are being redeemed;
  - (9) the paragraph of the Notes and/or Section of this Indenture pursuant to which the Notes called for redemption are being redeemed;
- and
- (10) that no representation is made as to the correctness or accuracy of the CUSIP number, ISIN number or other similar number, if any, listed in such notice or printed on the Notes.

At the Company's written request made at least five Business Days prior to the date on which notice is to be given (unless a shorter notice shall be agreed to by the Trustee), the Trustee shall give the notice of redemption in the Company's name and at the Company's sole expense.

Section 3.04 *Effect of Notice of Redemption.*

Once the notice of redemption described in Section 3.03 hereof is mailed or given electronically in the manner provided in Section 3.03 hereof, Notes called for redemption become irrevocably due and payable on the Redemption Date (unless any condition to the redemption set forth in the notice thereof shall not have been satisfied) and at the Redemption Price plus interest accrued to the Redemption Date. Upon surrender to the Paying Agent, such Notes shall be paid at the Redemption Price plus interest accrued to the Redemption Date; *provided* that (a) if the Redemption Date is after a regular record date and

on or prior to the Interest Payment Date, the accrued interest shall be payable to the Holder of the redeemed Notes registered on the relevant record date; and (b) if a Redemption Date is a Legal Holiday, payment shall be made on the next succeeding Business Day and no interest shall accrue for the period from such Redemption Date to such succeeding Business Day. Such notice, if mailed or given electronically in the manner provided in Section 3.03 hereof, shall be conclusively presumed to have been given whether or not the Holder receives such notice.

**Section 3.05**      *Deposit of Redemption Price.*

On or prior to 11:00 A.M., New York City time, on each Redemption Date, the Company shall deposit with the Paying Agent in immediately available funds money sufficient to pay the Redemption Price of, and accrued interest on, all Notes to be redeemed on that date other than Notes or portions thereof called for redemption on that date which have been delivered by the Company to the Trustee for cancellation.

On and after any Redemption Date, if money sufficient to pay the Redemption Price of, and accrued interest on, Notes called for redemption shall have been made available in accordance with the immediately preceding paragraph, the Notes called for redemption will cease to accrue interest and the only right of the Holders of such Notes will be to receive payment of the Redemption Price of, and, subject to Section 3.04(a) hereof, accrued and unpaid interest on, such Notes to the Redemption Date. If any Note surrendered for redemption shall not be so paid, interest will be paid, from the Redemption Date until such redemption payment is made, on the unpaid principal of the Note and any interest not paid on such unpaid principal, in each case at the rate and in the manner provided in the Notes.

**Section 3.06**      *Notes Redeemed in Part.*

In the case of Certificated Notes redeemed in part, a new Note in principal amount equal to the unredeemed portion of the original Note will be issued in the name of the Holder thereof upon surrender for cancellation of the original Note. In the case of Global Notes redeemed in part, the outstanding balance of any such Global Note shall be adjusted by the Trustee to reflect such redemption. On and after the Redemption Date, subject to Section 3.05 hereof, interest ceases to accrue on Notes or portions of them called for redemption.

**Section 3.07**      *Optional Redemption.*

(a)      The Notes may be redeemed, in whole or in part, at any time prior to April 1, 2016, at the option of the Company upon not less than 30 nor more than 60 days' prior notice mailed by first-class mail to each Holder's registered address or sent in accordance with the procedures of DTC for Global Notes, at a Redemption Price equal to 100% of the principal amount of the Notes redeemed plus the Applicable Premium as of, and accrued and unpaid interest, if any, to, the applicable Redemption Date.

(b)      In addition, the Notes may be redeemed, in whole or in part, at any time on or after April 1, 2016, at the option of the Company upon not less than 30 nor more than 60 days' notice at the following Redemption Prices (expressed as percentages of the principal amount to be redeemed) set forth below, plus accrued and unpaid interest, if any, to, but not including, the Redemption Date, if redeemed during the 12-month period beginning on April 1 of the years indicated:

<b><u>Year</u></b>	<b><u>Redemption Price</u></b>
2016	103.188%
2017	101.594%
2018 and thereafter	100.000%

(c) In addition to the optional redemption provisions of the Notes described in clauses (a) and (b) of this Section 3.07, prior to April 1, 2015, the Company may, with the net proceeds of one or more Qualified Equity Offerings, redeem up to 35% of the aggregate principal amount of the outstanding Notes (including Additional Notes) at a Redemption Price equal to 106.375% of the principal amount thereof, plus accrued and unpaid interest thereon, if any, to the Redemption Date; *provided* that at least 65% of the aggregate principal amount of Notes originally issued under this Indenture (including Additional Notes) remains outstanding immediately after the occurrence of any such redemption (excluding Notes held by the Company or its Subsidiaries) and that any such redemption occurs within 90 days following the closing of any such Qualified Equity Offering.

(d) Any redemption pursuant to this Section 3.07 shall be made pursuant to the provisions of Sections 3.01 through 3.06 hereof.

Section 3.08 *Mandatory Redemption.*

The Company is not required to make mandatory redemption or sinking fund payments with respect to the Notes.

ARTICLE 4  
COVENANTS

Section 4.01 *Payment of Principal, Premium and Interest.*

The Company covenants and agrees that it will duly and punctually pay the principal of (and premium, if any) and interest on the Notes in accordance with the terms of the Notes and this Indenture.

Section 4.02 *Maintenance of Office or Agency.*

The Company will maintain in each Place of Payment for Notes an office or agency where Notes may be presented or surrendered for payment, where Notes may be surrendered for registration of transfer or exchange and where notices and demands to or upon the Company in respect of the Notes and this Indenture may be served. The Company will give prompt written notice to the Trustee of the location, and any change in the location, of such office or agency. If at any time the Company shall fail to maintain any such required office or agency or shall fail to furnish the Trustee with the address thereof, such presentations, surrenders, notices and demands may be made or served at the Corporate Trust Office of the Trustee, and the Company hereby appoints the Trustee as its agent to receive all such presentations, surrenders, notices and demands.

The Company may also from time to time designate one or more other offices or agencies where the Notes may be presented or surrendered for any or all such purposes and may from time to time rescind such designations; *provided, however*, that no such designation or rescission shall in any manner relieve the Company of its obligation to maintain an office or agency in each Place of Payment for Notes for such purposes. The Company will give prompt written notice to the Trustee of any such designation or rescission and of any change in the location of any such other office or agency.

Section 4.03 *Provision of Financial Information.*

(a) Whether or not required by the Commission, so long as any Notes are outstanding, the Company will furnish to the Holders of Notes or file or furnish, as applicable, electronically with the Commission through the Commission's Electronic Data Gathering, Analysis and Retrieval System (or any successor system) or, if the Commission will not accept such a filing, otherwise make publicly

available, within the time periods specified in the Commission's rules and regulations, after giving effect to all applicable extensions and cure periods:

(1) all quarterly and annual financial information that would be required to be contained in a filing with the Commission on Forms 10-Q and 10-K if the Company were required to file such Forms, including a "Management's Discussion and Analysis of Financial Condition and Results of Operations" and, with respect to the annual information only, a report on the annual financial statements by the Company's certified independent accountants; and

(2) all current reports that would be required to be filed with the Commission on Form 8-K if the Company were required to file such reports;

*provided, however*, that if the Company is not required to file reports with the Commission pursuant to Section 13 or 15(d) of the Exchange Act (*i.e.*, is a "voluntary filer"), the reports described in clauses (1) and (2) of Section 4.03(a) hereof shall not be required to contain (i) any information that a voluntary filer would not be required to include in such reports, or that would not be otherwise applicable to a voluntary filer, under the Commission's rules and regulations and (ii) certain other disclosures relating to the Company's controls and procedures, corporate governance, code of ethics, director independence, market for the Company's equity securities and executive compensation.

(b) In addition, whether or not required by the Commission, the Company, so long as any Notes are outstanding, will file or furnish, as applicable, a copy of all of the information and reports referred to in clauses (1) and (2) of Section 4.03(a) hereof with the Commission for public availability within the time periods specified in the Commission's rules and regulations, after giving effect to all applicable extensions and cure periods (unless the Commission will not accept such a filing) or otherwise make such information publicly available to prospective investors. In addition, for so long as any Notes remain outstanding, the Company and the Guarantors will furnish to the Holders and to prospective investors, upon their request, the information, if any, required to be delivered pursuant to Rule 144A(d)(4) under the Securities Act.

The Company will be deemed to have made the reports or information pursuant to clauses (1) and (2) of Section 4.03(a) hereof publicly available, subject to the above-referenced exceptions, if the Company has posted such reports or information on the Company website with access to current and prospective investors. For purposes of this covenant, the term "Company website" means the collection of web pages that may be accessed on the World Wide Web using the URL address <http://www.alliancedata.com> or such other address as the Company may from time to time designate in writing to the Trustee.

Delivery of such reports, information and documents to the Trustee is for informational purposes only, and the Trustee's receipt of such shall not constitute constructive notice of any information contained therein or determinable from information contained therein, including the Company's compliance with any of its covenants hereunder (as to which the Trustee is entitled to rely exclusively on Officers' Certificates).

#### Section 4.04 *Corporate Existence.*

Subject to Article 5 hereof, the Company will do or cause to be done all things necessary to preserve and keep in full force and effect its existence as a corporation.

(a) If the Company shall at any time act as its own Paying Agent with respect to the Notes, it will, on or before each Maturity Date or Interest Payment Date on any of the Notes, segregate and hold in trust for the benefit of the Persons entitled thereto a sum sufficient to pay the principal (and premium, if any) or interest so becoming due until such sums shall be paid to such Persons or otherwise disposed of as herein provided and will promptly notify the Trustee in writing of its action or failure so to act.

(b) Whenever the Company shall have a Paying Agent for the Notes, it will, prior to 11:00 a.m., New York City time, on each Maturity Date or Interest Payment Date on the Notes, deposit with the Paying Agent in immediately available funds a sum sufficient to pay the principal (and premium, if any) or interest so becoming due, such sum to be held in trust for the benefit of the Persons entitled to such principal, premium, if any, or interest, and (unless such Paying Agent is the Trustee) the Company will promptly notify the Trustee in writing of its action or failure so to act.

(c) The Company will cause the Paying Agent, other than the Trustee, to execute and deliver to the Trustee an instrument in which the Paying Agent shall agree with the Trustee, subject to the provisions of this Section 4.05, that the Paying Agent will:

(1) hold all sums held by it for the payment of the principal of (and premium, if any) or interest on the Notes in trust for the benefit of the Persons entitled thereto until such sums shall be paid to such Persons or otherwise disposed of as herein provided;

(2) give the Trustee notice of any default by the Company (or any other obligor upon the Notes) in the making of any payment of principal (and premium, if any) or interest on the Notes; and

(3) at any time during the continuance of any such default, upon the written request of the Trustee, forthwith pay to the Trustee all sums so held in trust by the Paying Agent.

(d) The Company may at any time, for the purpose of obtaining the satisfaction and discharge of this Indenture or for any other purpose, pay, or by Company Order direct the Paying Agent to pay, to the Trustee all sums held in trust by the Company or the Paying Agent, such sums to be held by the Trustee upon the same trusts as those upon which such sums were held by the Company or the Paying Agent; and, upon such payment by the Paying Agent to the Trustee, the Paying Agent shall be released from all further liability with respect to such money.

(e) Any money deposited with the Trustee or the Paying Agent, or then held by the Company, in trust for the payment of the principal of (and premium, if any) or interest on the Notes and remaining unclaimed for two years after such principal (and premium, if any) or interest has become due and payable shall be paid to the Company on Company Order, or (if then held by the Company) shall be discharged from such trust; and the Holder of such Note shall thereafter, as an unsecured general creditor, look only to the Company for payment thereof, and all liability of the Trustee or the Paying Agent with respect to such trust money, and all liability of the Company as trustee thereof, shall thereupon cease; *provided, however*, that the Trustee or the Paying Agent, before being required to make any such repayment, may at the expense of the Company cause to be published once, in a newspaper published in the English language, customarily published on each Business Day and of general circulation in New York, New York, notice that such money remains unclaimed and that, after a date specified therein, which shall not be less than 30 days from the date of such publication, any unclaimed balance of such money then remaining will be repaid to the Company.

*Payment of Taxes and Other Claims.*

The Company promptly will pay or discharge or cause to be paid or discharged (1) all taxes, assessments and governmental charges levied or imposed upon the Company or any Restricted Subsidiary or upon the income, profits or property of the Company or any Restricted Subsidiary, and (2) all lawful claims against the Company or any Restricted Subsidiary for labor, materials and supplies, which in the case of either clause (1) or (2) of this Section 4.06, if unpaid, might by law become a Lien upon a property; *provided, however*, that neither the Company nor any Restricted Subsidiary shall be required to pay or discharge or cause to be paid or discharged any such tax, assessment, charge or claim (x) whose amount, applicability or validity is being contested in good faith by appropriate proceedings or (y) to the extent that the failure to pay or discharge the same could not reasonably be expected to have a material adverse effect of the Company and its Restricted Subsidiaries taken as a whole.

Section 4.07 *Limitation on Restricted Payments.*

(a) The Company will not, and will not permit any of its Restricted Subsidiaries to, directly or indirectly, make any Restricted Payment unless, at the time of and after giving effect to the proposed Restricted Payment:

(1) no Default or Event of Default shall have occurred and be continuing or will occur as a consequence thereof;

(2) after giving effect to such Restricted Payment on a *pro forma* basis, the Company would be permitted to Incur at least \$1.00 of additional Debt (other than Permitted Debt) pursuant to Section 4.09(a) hereof; and

(3) after giving effect to such Restricted Payment on a *pro forma* basis, the aggregate amount expended or declared for all Restricted Payments made on or after the Issue Date (excluding Restricted Payments permitted by clauses (2), (3), (4), (5), (6), (7), (8), (9), (10), (11), (14), (15), (16), (17) and (18) of Section 4.07(b) hereof shall not exceed the sum (without duplication) of:

(A) 50% of the Consolidated Net Income (or, if Consolidated Net Income shall be a deficit, minus 100% of such deficit) of the Company accrued on a cumulative basis during the period (taken as one accounting period) from the beginning of the fiscal quarter during which the Issue Date occurs and ending on the last day of the fiscal quarter immediately preceding the date of such proposed Restricted Payment, *plus*

(B) 100% of the aggregate net proceeds (including the Fair Market Value of property other than cash) received by the Company subsequent to the Issue Date either (i) as a contribution to its common equity capital or (ii) from the issuance and sale (other than to a Restricted Subsidiary) of its Qualified Capital Interests, including Qualified Capital Interests issued upon the conversion of Debt or Redeemable Capital Interests of the Company, and from the exercise of options, warrants or other rights to purchase such Qualified Capital Interests (other than the exercise by a Restricted Subsidiary), *plus*

(C) 100% of the net reduction in Investments (other than Permitted Investments), subsequent to the Issue Date, in any Person, resulting from payments of interest on Debt, dividends, repayments of loans or advances, or any sale or disposition of such Investments, repurchases or redemptions of Investments, releases or guarantees and reclassifications of Investments as Permitted Investments (but only to the extent such

items are not included in the calculation of Consolidated Net Income), in each case to the Company or any Subsidiary from any Person, *plus*

(4) to the extent that any Unrestricted Subsidiary of the Company designated as such after the Issue Date is redesignated as a Restricted Subsidiary, an amount equal to the sum of (i) the return, after the Issue Date, on Investments in such Unrestricted Subsidiary made after the Issue Date as a result of dividends, distributions, cancellation of indebtedness for borrowed money owed by the Company or any Restricted Subsidiary to an Unrestricted Subsidiary, interest payments, return of capital, repayments of Investments or other transfers of assets to the Company or any Restricted Subsidiary from such Unrestricted Subsidiary, any sale for cash, repayment, redemption, liquidating distribution or other cash and (ii) the portion (proportionate to the Company's equity interest in such Subsidiary) of the Fair Market Value of the assets less liabilities of such Unrestricted Subsidiary at the time such Unrestricted Subsidiary is designated a Restricted Subsidiary, not to exceed, in the case of any Unrestricted Subsidiary, the amount of Investments made after the Issue Date by the Company and its Restricted Subsidiaries in such Unrestricted Subsidiary.

(b) Notwithstanding Section 4.07(a) hereof, the Company and its Restricted Subsidiaries may take the following actions, *provided* that, in the case of clauses (17) and (18) of this Section 4.07(b), immediately after giving effect to such action, no Default or Event of Default has occurred and is continuing:

(1) the payment of any dividend or other distribution on Capital Interests in the Company or any of its Restricted Subsidiaries or the consummation of any irrevocable redemption within 60 days after declaration of such dividend or the giving of the redemption notice, as the case may be, if at the date of such declaration or notice, such payment would have been permitted by Section 4.07(a) hereof;

(2) the purchase, repurchase, redemption, defeasance or other acquisition or retirement of any Qualified Capital Interests of the Company by conversion into, or by or in exchange for, Qualified Capital Interests, or out of net cash proceeds of the substantially concurrent sale (other than to a Restricted Subsidiary of the Company) of other Qualified Capital Interests of the Company;

(3) the purchase, repurchase, redemption, defeasance or acquisition or retirement for value of any Debt of the Company or a Guarantor that is subordinate in right of payment to the Notes or the applicable Note Guarantee by conversion into, or by or in exchange for, or out of the net cash proceeds of a substantially concurrent issue and sale (other than to a Subsidiary of the Company) of (x) new subordinated Debt of the Company or a Guarantor Incurred in accordance with this Indenture or (y) Qualified Capital Interests of the Company;

(4) the purchase, redemption, defeasance, retirement or other acquisition for value of Capital Interests in the Company or any Subsidiary held by former, current or future directors, officers, employees or consultants of the Company or any Restricted Subsidiary (or their respective estates, heirs, family members, spouses, former spouses or beneficiaries under their estates or other permitted transferees) upon death, disability, retirement or termination of employment or alteration of employment status or pursuant to the terms of any agreement under which such Capital Interests were issued; *provided* that the aggregate cash consideration paid for such purchase, redemption, defeasance, retirement or other acquisition of such Capital Interests does not exceed \$50 million in any calendar year; *provided, however*, that such amount in any calendar year may be increased by an amount not to exceed (A) the cash proceeds received by the

Company or any of its Restricted Subsidiaries from the sale of Qualified Capital Interests of the Company to directors, officers and employees of the Company and its Restricted Subsidiaries and such other persons that occurs after the Issue Date; *provided, however*, that the amount of such cash proceeds utilized for any such repurchase, retirement, other acquisition or dividend will not increase the amount available for Restricted Payments under Section 4.07(a)(3) hereof; plus (B) the cash proceeds of key man life insurance policies received by the Company and its Restricted Subsidiaries after the Issue Date (*provided, however*, that the Company may elect to apply all or any portion of the aggregate increase contemplated by the proviso of this clause (4) in any calendar year and, to the extent any payment described under this clause (4) is made by delivery of Debt and not in cash, such payment shall be deemed to occur only when, and to the extent, the obligor on such Debt makes payments with respect to such Debt);

(5) the purchase, repurchase, redemption, defeasance or other acquisition or retirement of Capital Interests deemed to occur upon (A) the exercise of stock options, warrants or other convertible or exchangeable securities or (B) the withholding of a portion of such Capital Interests to pay for the taxes payable by such Person on account of such grant or award;

(6) the extension of credit that constitutes intercompany Debt, the Incurrence of which was permitted pursuant to Section 4.09 hereof;

(7) payments arising out of the exercise of warrants, options or other securities convertible into or exchangeable for the Capital Interests of the Company or a Restricted Subsidiary, including upon conversion of the Convertible Notes, or in connection with any merger, consolidation, amalgamation or other combination involving the Company, and all other payments arising out of the purchase, repurchase, redemption, defeasance or other acquisition or retirement for value of, or the conversion or exercise of, or otherwise with respect to, the Convertible Notes and all warrants, options and other securities issued, sold or purchased in connection with the issuance of the Convertible Notes or upon conversion or exercise of any of the foregoing, including, in each case, any payments in connection with the termination of any Hedging Obligation or Swap Contract entered into at any time in connection with any Convertible Notes;

(8) the purchase, repurchase, redemption, defeasance or other acquisition or retirement for value of any subordinated Debt in accordance with provisions substantially similar to those described in Sections 4.10 and 4.13 hereof; *provided* that all Notes tendered by Holders in connection with a Change of Control Offer or Asset Sale Offer, as applicable, have been repurchased, redeemed or acquired for value;

(9) the declaration and payment of dividends to holders of any class or series of Redeemable Capital Interests of the Company or any Restricted Subsidiary issued or Incurred in compliance with Section 4.09;

(10) any Restricted Payment used to fund amounts owed to Affiliates, in each case to the extent permitted by Section 4.11;

(11) any Investment made in exchange for, or out of the net cash proceeds of, a substantially concurrent offering of Qualified Capital Interests of the Company;

(12) repurchases by the Company or any Restricted Subsidiary of Capital Interests that were not theretofore owned by the Company or a Subsidiary of the Company in any Restricted Subsidiary;

(13) cash payments, in lieu of issuance of fractional shares, in connection with the conversion, exercise or exchange of warrants, options, Convertible Notes or other securities convertible into, or exercisable or exchangeable for, Capital Interests in the Company or a Restricted Subsidiary;

(14) the declaration and payment of any dividend or distribution consisting of Capital Interests in, Debt or other securities of, or assets or property received from, an Unrestricted Subsidiary;

(15) payments to dissenting stockholders not to exceed \$5.0 million pursuant to applicable law or in connection with the settlement or other satisfaction of legal claims made pursuant to or in connection with a consolidation, merger, amalgamation, arrangement or disposition of assets in a transaction not prohibited by this Indenture;

(16) payments of fees, including by means of discounts with respect to interests issued or sold, in connection with Qualified Securitization Transactions;

(17) the making of any Restricted Payments if, at the time of the making of such payments, and after giving effect thereto (including the Incurrence of any Debt to finance such payment), the Consolidated Total Leverage Ratio would not exceed 3.50 to 1.00; and

(18) the making of any other Restricted Payments not in excess of \$250 million in the aggregate at any time outstanding.

(c) If the Company makes a Restricted Payment which, at the time of the making of such Restricted Payment, in the good faith determination of the Company, would be permitted under the requirements of this Indenture, such Restricted Payment shall be deemed to have been made in compliance with this Indenture notwithstanding any subsequent adjustment made in good faith to the Company's financial statements affecting its Consolidated Net Income.

(d) If any Person in which an Investment is made, which Investment constitutes a Restricted Payment when made, thereafter becomes a Restricted Subsidiary in accordance with this Indenture, all such Investments previously made in such Person shall no longer be counted as Restricted Payments for purposes of calculating the aggregate amount of Restricted Payments pursuant to Section 4.07(a)(3) hereof, in each case to the extent such Investments would otherwise be so counted.

(e) For purposes of this Section 4.07, if a particular Restricted Payment involves a non-cash payment, including a distribution of assets, then such Restricted Payment shall be deemed to be an amount equal to the cash portion of such Restricted Payment, if any, plus an amount equal to the Fair Market Value of the non-cash portion of such Restricted Payment.

**Section 4.08**     *Limitation on Dividend and Other Payment Restrictions Affecting Insured Subsidiaries.*

(a) The Company will not, and will not permit any of its Restricted Subsidiaries to, directly or indirectly, cause or suffer to exist or become effective or enter into any consensual encumbrance or restriction (other than pursuant to any law, rule, regulation or order) on the ability of any Insured Subsidiary to (i) pay dividends or make any other distributions on its Capital Interests owned by the Company or any Restricted Subsidiary or pay any Debt or other obligation owed to the Company or any Restricted Subsidiary, (ii) make loans or advances to the Company or any Restricted Subsidiary or (iii) sell, lease or transfer any of its property or assets to the Company or any of its Restricted Subsidiaries.

- (b) Section 4.08(a) hereof shall not apply to the following encumbrances or restrictions:
- (1) encumbrances and restrictions in existence on the Issue Date, including those required by the Credit Agreement;
  - (2) encumbrances and restrictions under this Indenture, the Notes and the Note Guarantees;
  - (3) customary supermajority voting provisions and other customary provisions with respect to the disposition or distribution of assets, each contained in corporate charters, bylaws, stockholders' agreements, limited liability company agreements, partnership agreements, Joint Venture agreements and other similar agreements;
  - (4) encumbrances and restrictions required by any Regulatory Requirement or any Regulatory Authority;
  - (5) customary restrictions in agreements governing Liens permitted to be incurred under this Indenture, including Section 4.12 hereof; *provided* that such restrictions relate solely to the property subject to such Lien;
  - (6) encumbrances and restrictions contained in any merger agreement or any agreement for the sale or other disposition of an asset, including the Capital Interests or other securities or obligations of a Subsidiary, *provided* that such disposition is made in compliance with this Indenture, including Sections 4.10 and 5.01 hereof;
  - (7) encumbrances and restrictions contained in contracts (other than relating to Debt) entered into in the ordinary course of business that do not, in the aggregate, detract from the value of the property or assets of the Company or any Restricted Subsidiary in any material manner (including non-assignment provisions in leases and licenses);
  - (8) encumbrances and restrictions contained in agreements governing Debt permitted to be incurred under this Indenture, including Section 4.09 hereof;
  - (9) any encumbrance or restriction contained in any agreement, instrument or Capital Stock of a Person, or with respect to any property or asset, acquired after the Issue Date (including by merger or consolidation) as in effect at the time of such acquisition (except to the extent such agreement, instrument or Capital Stock was incurred in connection with or in contemplation of such acquisition), which encumbrance or restriction is not applicable to any Person, or any property or assets, as applicable, other than the Person, or the property or assets so acquired;
  - (10) any encumbrance or restriction contained in any agreement, instrument or Capital Stock of a Qualified Securitization Entity, or with respect to any Securitization Assets, which encumbrance or restriction is not applicable to any Person, or any assets, as applicable, other than such Qualified Securitization Entity or such Securitization Assets;
  - (11) encumbrances and restrictions contained in customary lock-up agreements entered into in connection with a proposed sale or issuance of Capital Interests;
  - (12) customary encumbrances and restrictions contained in Swap Contracts and Hedging Obligations;

(13) encumbrances and restrictions arising out of Preferred Interests relating to the payment of dividends and distributions with respect to other Capital Interests; and

(14) encumbrances and restrictions contained in any agreement or instrument or Capital Interest that amends, modifies, restates, renews, increases, supplements, refunds, replaces, extends or refinances any agreement, instrument or Capital Interest described in clauses (1) through (14) of this Section 4.08, from time to time, in whole or in part, *provided* that the encumbrances or restrictions set forth therein are not materially more restrictive, taken as a whole, than those contained in the predecessor agreement, instrument or Capital Interests.

In each case set forth above, notwithstanding any stated limitation on the assets or property that may be subject to such encumbrance or restriction, an encumbrance or restriction on a specified asset or property or group or type of assets or property may also apply to all improvements, additions and accessions thereto, assets and property affixed or appurtenant thereto, and all products and proceeds thereof, including dividends, distributions, interest and increases in respect thereof.

(c) Nothing contained in this Section 4.08 shall prevent the Company or any Restricted Subsidiary from (i) creating, incurring, assuming or suffering to exist any Liens otherwise permitted by Section 4.12 hereof or (ii) restricting the sale or other disposition of property or assets of the Company or any of its Restricted Subsidiaries that secure Debt of the Company or any of its Restricted Subsidiaries Incurred in accordance with Sections 4.09 and 4.12 hereof.

#### Section 4.09 *Limitation on Incurrence of Debt.*

(a) The Company will not, and will not permit any of its Restricted Subsidiaries to, Incur any Debt (including Acquired Debt); *provided* that the Company and any Restricted Subsidiary may Incur Debt (including Acquired Debt) if, immediately after giving effect to the Incurrence of such Debt and the receipt and application of the proceeds therefrom, (i) the Consolidated Fixed Charge Coverage Ratio of the Company and its Restricted Subsidiaries, determined on a *pro forma* basis as if any such Debt (including any other Debt being Incurred contemporaneously), and any other Debt Incurred since the beginning of the Four Quarter Period had been Incurred and the proceeds thereof had been applied at the beginning of the Four Quarter Period, and any other Debt repaid since the beginning of the Four Quarter Period had been repaid at the beginning of the Four Quarter Period, would be greater than 2.0:1.0 and (ii) no Default or Event of Default shall have occurred and be continuing at the time or as a consequence of the Incurrence of such Debt.

(b) If, during the Four Quarter Period or subsequent thereto and prior to the date of determination, the Company or any of its Restricted Subsidiaries shall have engaged in any Asset Sales, Asset Acquisitions, Investments, mergers, consolidations or discontinued operations (as determined in accordance with GAAP) or shall have designated any Restricted Subsidiary to be an Unrestricted Subsidiary or any Unrestricted Subsidiary to be a Restricted Subsidiary, Consolidated Operating EBITDA and Consolidated Interest Expense for the Four Quarter Period shall be calculated on a *pro forma* basis giving effect to such Asset Sales, Asset Acquisitions, Investments, mergers, consolidations or discontinued operations or designations, as the case may be, and the application of any proceeds therefrom as if such events had occurred on the first day of the Four Quarter Period.

(c) If the Debt that is the subject of a determination under this provision is Acquired Debt, Debt Incurred in connection with the acquisition of any Person, business, property or assets, or Debt of an Unrestricted Subsidiary being designated as a Restricted Subsidiary, then such ratio shall be determined by giving effect (on a *pro forma* basis, as if the transaction had occurred at the beginning of the Four Quarter Period) to (x) the Incurrence of such Acquired Debt or such other Debt by the Company or any of

its Restricted Subsidiaries and (y) the inclusion, in the Company's Consolidated Operating EBITDA, of the Consolidated Operating EBITDA of the acquired Person, business, property or assets or redesignated Subsidiary.

(d) Notwithstanding the provisions of Section 4.09(a) hereof, the Company and its Restricted Subsidiaries may Incur Permitted Debt.

(e) For purposes of determining any particular amount of Debt under this Section 4.09, (x) Debt outstanding under the Credit Agreement on the Issue Date shall at all times be treated as Incurred pursuant to clause (1) of the definition of "Permitted Debt," and (y) Guarantees or obligations with respect to letters of credit supporting Debt otherwise included in the determination of such particular amount shall not be included. For purposes of determining compliance with this Section 4.09, in the event that an item of Debt meets the criteria of more than one of the types of Debt described above, including categories of Permitted Debt and under Section 4.09(a)(i) hereof, the Company, in its sole discretion, may classify, and from time to time may reclassify, all or any portion of such item of Debt in any manner such that the item of Debt would be permitted to be incurred at the time of such classification or reclassification, as applicable.

(f) The accrual of interest or dividends, the accretion of principal, accreted value or liquidation preference, the amortization of original issue discount or debt discount, the payment of interest on Debt in the form of additional Debt or the payment of dividends on Capital Interests in the form of additional shares of Capital Interests with the same terms, the obligation to pay a premium in respect of Debt or a Capital Interest arising in connection with the issuance of a notice of redemption or the making of a mandatory change of control offer or asset sale offer for such Debt or Capital Interest, increases in the amount of Debt outstanding solely as a result of fluctuations in exchange rates or currency values, and unrealized losses or charges in respect of Hedging Obligations or Swap Contracts, in each case, will be deemed not to be an Incurrence of Debt or an issuance of Capital Interests for purposes of this Section 4.09.

(g) For purposes of determining compliance with any U.S. dollar-denominated restriction on the incurrence of Debt or any other covenant, limitation or ratio in this Indenture, the U.S. dollar-equivalent principal amount of Debt denominated in a foreign currency shall be utilized, calculated based on the relevant currency exchange rate in effect on the date such Debt was incurred. Notwithstanding any other provision of this Indenture, the maximum amount of Debt that the Company or any Restricted Subsidiary may incur pursuant to this Section 4.09 shall not be deemed to be exceeded, nor shall any other covenant, limitation or ratio in this Indenture be deemed to be breached or exceeded solely as a result of fluctuations in exchange rates or currency values.

(h) Debt will not be considered subordinate in right of payment to any other Debt solely by virtue of being unsecured, secured with a subset of the collateral securing such other Debt or with different collateral, secured to a greater or lesser extent or secured with greater or lower priority, by virtue of structural subordination, by virtue of maturity date, order of payment or order of application of funds, or by virtue of not being guaranteed by all guarantors of such other Debt, and any subordination in right of payment must be pursuant to a written agreement or instrument.

Section 4.10 *Limitation on Asset Sales.*

(a) The Company will not, and will not permit any of its Restricted Subsidiaries to, consummate an Asset Sale, unless:

(1) the Company or such Restricted Subsidiary, as the case may be, receives consideration from such Asset Sale at least equal to the Fair Market Value of the assets sold or otherwise disposed of or Capital Interests issued or sold (in each case, such Fair Market Value to be determined by the Company on the date of contractually agreeing to such Asset Sale); and

(2) except in the case of a Permitted Asset Swap, at least 75% of the consideration therefor received by the Company or such Restricted Subsidiary, as the case may be, is in the form of cash or Eligible Cash Equivalents; *provided* that the following shall be deemed to be cash for purposes of this Section 4.10(a)(2) and for no other purpose:

(A) any liabilities (as reflected in the Company's or such Restricted Subsidiary's most recent balance sheet or in the footnotes thereto, or if Incurred or accrued subsequent to the date of such balance sheet, such liabilities that would have been shown on the Company's or such Restricted Subsidiary's balance sheet or in the footnotes thereto if such Incurrence or accrual had taken place on the date of such balance sheet, as determined by the Company) of the Company or such Restricted Subsidiary, other than liabilities that are by their terms subordinated to the Notes, (i) for which the Company and all of its Restricted Subsidiaries have been validly released by all creditors in writing or (ii) in respect of which neither the Company nor any Restricted Subsidiary following such Asset Sale has any obligation,

(B) any securities, notes or other obligations or assets received by the Company or such Restricted Subsidiary from such transferee that are converted by the Company or such Restricted Subsidiary into cash (to the extent of the cash received) within 365 days following the closing of such Asset Sale, and

(C) any Designated Non-cash Consideration received by the Company or such Restricted Subsidiary in such Asset Sale having an aggregate Fair Market Value, taken together with all other Designated Non-cash Consideration received pursuant to this clause (C) that is at that time outstanding, no greater than 10% of Total Assets of the Company and its Subsidiaries at the time of the receipt of such Designated Non-cash Consideration, with the Fair Market Value of each item of Designated Non-cash Consideration being measured at the time received and without giving effect to subsequent changes in value.

(b) Within 365 days after the receipt of any Net Proceeds of any Asset Sale, the Company or such Restricted Subsidiary, at its option, may apply the Net Proceeds from such Asset Sale, or other funds:

(1) to permanently reduce:

(A) obligations under Credit Facilities, or under any senior Debt that is Secured Debt (and, to the extent the obligations being reduced constitute revolving credit obligations, to correspondingly reduce commitments with respect thereto); or

(B) Debt of a Restricted Subsidiary that is not a Guarantor, other than Debt owed to the Company or another Restricted Subsidiary;

(2) to make an Asset Sale Offer, or

(3) to make any combination of (A) an Investment in all or substantially all of the assets of one or more businesses, (B) an Investment in at least a majority of the Capital Interests of one or more businesses, *provided* that such Investment results in such business becoming a Restricted Subsidiary, (C) capital expenditures or (D) acquisitions of other assets, in each of (A) through (D), that are used or useful in a Permitted Business or replace the businesses, properties and/or assets that are the subject of such Asset Sale; *provided* that, in the case of this clause (3) of Section 4.10(b), a binding commitment (which may be subject to customary conditions) shall be treated as a permitted application of the funds from the date of such commitment so long as the Company or such other Restricted Subsidiary enters into such commitment with the good faith expectation that such funds will be applied to satisfy such commitment within 180 days after the end of the 365-day period described above (an “*Acceptable Commitment*”); *provided further*, that if any *Acceptable Commitment* is later cancelled or terminated for any reason before such funds are so applied, then, to the extent the 365-day period referred to in the first sentence of this paragraph has lapsed, such unapplied amount shall constitute Excess Proceeds (as defined in clause (c) of this Section 4.10).

(c) If the amount of Net Proceeds from Asset Sales exceeds the amount invested, expended or applied as provided and within the time periods described in clause (b) of this Section 4.10, such excess amount will be deemed to constitute “*Excess Proceeds*.”

When the aggregate amount of Excess Proceeds exceeds \$50 million, the Company shall make an offer to all Holders of the Notes, and, if required (or at the Company’s election, if permitted) by the terms of any other senior Debt, to the holders of any such senior Debt (an “*Asset Sale Offer*”), to purchase the maximum aggregate principal amount of the Notes and such other senior Debt that is a minimum of \$2,000 or an integral multiple of \$1,000 in excess thereof that may be purchased out of the Excess Proceeds at an offer price in cash in an amount equal to 100% of the principal amount thereof, plus accrued and unpaid interest to the date fixed for the closing of such offer, in accordance with the procedures set forth in this Indenture. The Company will commence an Asset Sale Offer with respect to Excess Proceeds within ten Business Days after the date that Excess Proceeds exceed \$50 million by mailing the notice required pursuant to the terms of this Indenture, with a copy to the Trustee.

(d) To the extent that the aggregate amount of Notes and other senior Debt tendered pursuant to an Asset Sale Offer is less than the Excess Proceeds, the Company may use any remaining Excess Proceeds for general corporate purposes, subject to other covenants contained in this Indenture. If the aggregate principal amount of Notes and other senior Debt surrendered by such holders thereof exceeds the amount of Excess Proceeds, the Trustee shall select the Notes and the agent for such other senior Debt, as applicable, shall select such other senior Debt to be purchased by lot, *pro rata* or by any other method customarily authorized by clearing systems (so long as authorized denomination results therefrom) based on the accreted value or principal amount of the Notes or such other senior Debt tendered. Additionally, the Company may, at its option, make an Asset Sale Offer using funds in an amount equal to the amount of Net Proceeds from any Asset Sale at any time after consummation of such Asset Sale; *provided* that such Asset Sale Offer shall be in an aggregate amount of not less than \$10 million. Upon completion of any Asset Sale Offer, the amount of Excess Proceeds shall be reset at zero.

(e) Pending the final application of any Net Proceeds pursuant to this Section 4.10, the holder of such Net Proceeds may apply such Net Proceeds temporarily to reduce Debt outstanding under a revolving credit facility or otherwise invest such Net Proceeds in any manner not prohibited by this Indenture.

(f) The Company will comply with the requirements of Rule 14e-1 under the Exchange Act and any other securities laws and regulations thereunder to the extent such laws or regulations are

applicable in connection with the repurchase of the Notes pursuant to an Asset Sale Offer. To the extent that the provisions of any securities laws or regulations conflict with the provisions of this Indenture, the Company will comply with the applicable securities laws and regulations and shall not be deemed to have breached its obligations described in this Indenture by virtue thereof.

Section 4.11 *Limitation on Affiliate Transactions.*

(a) The Company will not, and will not permit any of its Restricted Subsidiaries to, make any payment to, or sell, lease, transfer or otherwise dispose of any of its properties or assets to, or purchase any property or assets from, or enter into or make or amend any transaction, contract, agreement, understanding, loan, advance or guarantee with (which term, for purposes of this Section 4.11, shall include “for the benefit of” where appropriate in the context) any Affiliate of the Company (each, an “*Affiliate Transaction*”) involving aggregate payments or consideration in excess of \$25 million, unless:

(1) the Affiliate Transaction is on terms that are not materially less favorable to the Company or the relevant Restricted Subsidiary, taken as a whole, than those that would have been obtained in a comparable transaction by the Company or such Restricted Subsidiary with an unrelated Person; and

(2) the Company delivers to the Trustee with respect to any Affiliate Transaction involving aggregate payments or consideration in excess of \$50 million, a resolution of the Board of Directors of the Company set forth in an Officers’ Certificate certifying that such Affiliate Transaction complies with this Section 4.11 and that such Affiliate Transaction has been approved by a majority of the members of the Board of Directors of the Company.

(b) The following items will be deemed not to be Affiliate Transactions and, therefore, will not be subject to the provisions of clause (a) of this Section 4.11:

(1) any employment, consulting or other compensation arrangement or agreement, employee or compensation benefit plan, officer or director compensation or indemnification agreement or any similar arrangement entered into by the Company or any of its Restricted Subsidiaries in the ordinary course of business and payments pursuant thereto;

(2) transactions between or among the Company and/or its Restricted Subsidiaries;

(3) transactions with a Person that is an Affiliate of the Company solely because the Company owns, directly or through a Restricted Subsidiary, a Capital Interest in, or controls, such Person;

(4) [reserved];

(5) any issuance or sale of Qualified Capital Interests of the Company and the granting of registration and other customary rights in connection therewith;

(6) Restricted Payments that do not violate the provisions of Section 4.07 hereof and the definition of “Permitted Investments” and payments described in, but excluded from the definitions of “Restricted Payment” and “Permitted Investments” and their component definitions;

(7) the grant of stock options, restricted stock, stock appreciation rights, phantom stock awards or similar rights or Capital Interests to directors, officers, employees and consultants

that are approved by the Board of Directors of the Company or any of its Restricted Subsidiaries in the ordinary course of business;

(8) the existence of, or the performance by the Company or any of its Restricted Subsidiaries under the terms of, any agreement or instrument as in effect on the Issue Date or any amendment thereto (so long as any such agreement or instrument together with all amendments thereto, taken as a whole, is not more disadvantageous to the Holders of the Notes in any material respect than the original agreement or instrument as in effect on the Issue Date) or any transaction contemplated thereby;

(9) transactions that are necessary or advisable in order to comply with Regulatory Requirements;

(10) transactions in which the Company or any of its Restricted Subsidiaries, as the case may be, delivers to the Trustee a letter from an independent financial advisor stating that such transaction is fair to the Company or such Restricted Subsidiary from a financial point of view or stating that the terms are not materially less favorable to the Company or its relevant Restricted Subsidiary than those that would have been obtained in a comparable transaction by the Company or such Restricted Subsidiary with an unrelated Person;

(11) transactions with customers, clients, suppliers, or purchasers or sellers of goods or services, in each case in the ordinary course of business that are fair to the Company and its Restricted Subsidiaries in the good faith judgment of the Company, or are on terms at least as favorable as might reasonably have been obtained at such time from an unaffiliated party;

(12) any transaction with a Qualified Securitization Entity that is not prohibited under this Indenture;

(13) payments of reasonable fees, expenses and indemnity to, and loans (or cancellation of loans) to, former, current and future employees, officers, directors, management personnel or consultants of the Company or any of its Subsidiaries and employment agreements, collective bargaining agreements, stock option plans, benefit plans, other similar arrangements and related trust arrangements with such Persons which, in each case, are approved by the Company in good faith;

(14) payments to and from, and transactions with, any Joint Venture in the ordinary course of business;

(15) transactions with Persons solely in their capacity as holders of a minority of any class of Debt or Capital Interests of the Company or any of its Restricted Subsidiaries, where such Persons are treated no more favorably than holders of such class of Debt or Capital Interests of the Company or such Restricted Subsidiary generally;

(16) any transaction with any Person who is not an Affiliate of the Company immediately before the consummation of such transaction that becomes an Affiliate as a result of such transaction;

(17) transactions permitted by, and complying with Section 5.01 hereof;

(18) transactions between the Company or any of its Restricted Subsidiaries and any Person, a director of which is also a director of the Company or any of its Subsidiaries, if such

director abstains from voting as a director of the Company or such Subsidiary, as the case may be, on any matter involving such other Person; and

- (19) pledges of Capital Interests in, or Debt of, Unrestricted Subsidiaries.

Section 4.12 *Limitation on Liens.*

The Company will not, and will not permit any of the Guarantors to, enter into, create, incur, assume or suffer to exist any Liens of any kind securing Debt (other than Permitted Liens), on or with respect to any of its property or assets now owned or hereafter acquired or any interest therein or any income or profits therefrom without securing the Notes and all other amounts due under this Indenture equally and ratably with (or prior to) the Debt secured by such Lien until such time as such Debt is no longer secured by such Lien; *provided* that if the Debt so secured is subordinated by its terms to the Notes or a Note Guarantee, the Lien securing such Debt will also be so subordinated by its terms to the Liens securing the Notes and the Note Guarantees at least to the same extent.

Unless otherwise specified in the relevant security agreement, any Lien securing the Notes or a Note Guarantee granted in satisfaction of the preceding paragraph shall be automatically and unconditionally released and discharged in all respects upon (i) the release and discharge of the Lien securing such other Debt or (ii) in the case of any Lien securing a Note Guarantee, upon the termination and discharge of such Note Guarantee in accordance with the terms of this Indenture.

Section 4.13 *Purchase of Notes Upon a Change of Control.*

(a) If a Change of Control occurs with respect to the Notes, unless the Company has previously or concurrently mailed a redemption notice with respect to all the outstanding Notes pursuant to Section 3.07 hereof, the Company will make a written offer to purchase all of the Notes pursuant to the offer described below (the "*Change of Control Offer*") at a Change of Control Purchase Price in cash equal to 101% of the aggregate principal amount thereof plus accrued and unpaid interest, if any, to the date of purchase.

(b) The Change of Control Offer will be sent by the Company, in the case of Global Notes, through the facilities of DTC, and, in the case of Certificated Notes, by first class mail, postage prepaid, to each Holder at his address appearing in the security register on the date of the Change of Control Offer, offering to purchase all of the Notes at the purchase price set forth in such Change of Control Offer (as determined pursuant to this Indenture). Unless otherwise required by applicable law, the Change of Control Offer shall specify an expiration date (the "*Change of Control Expiration Date*") which shall be, subject to any contrary requirements of applicable law, not less than 30 days or more than 60 days after the date of mailing of such Change of Control Offer and a settlement date (the "*Change of Control Purchase Date*") for purchase of Notes within five Business Days after the Expiration Date. The Company shall notify the Trustee at least 15 days (or such shorter period as is acceptable to the Trustee), in the case of Global Notes, through the facilities of DTC, and, in the case of Certificated Notes, prior to the mailing of the Change of Control Offer of the Company's obligation to make a Change of Control Offer, and the Change of Control Offer shall be mailed by the Company or, at the Company's request, by the Trustee in the name and at the expense of the Company. The Change of Control Offer shall contain all instructions and materials necessary to enable such Holders to tender Notes pursuant to the Change of Control Offer. The Change of Control Offer shall also state:

- (1) the Section of this Indenture pursuant to which the Change of Control Offer is being made;

- (2) the Change of Control Expiration Date and the Change of Control Purchase Date;
- (3) the aggregate principal amount of the outstanding Notes offered to be purchased pursuant to the Change of Control Offer;
- (4) the purchase price to be paid by the Company for each \$2,000 principal amount of Notes (and integral multiples of \$1,000 in excess thereof) accepted for payment (as specified pursuant to this Indenture) (the “*Change of Control Purchase Price*”);
- (5) that the Holder may tender all or any portion of the Notes registered in the name of such Holder and that any portion of a Note tendered must be tendered in a minimum principal amount of \$2,000 (and integral multiples of \$1,000 in excess thereof);
- (6) the place or places where Notes are to be surrendered for tender pursuant to the Change of Control Offer, if applicable;
- (7) that, unless the Company defaults in making such purchase, any Note accepted for purchase pursuant to the Change of Control Offer will cease to accrue interest on and after the Change of Control Purchase Date, but that any Note not tendered or tendered but not purchased by the Company pursuant to the Change of Control Offer will continue to accrue interest at the same rate;
- (8) that, on the Change of Control Purchase Date, the Change of Control Purchase Price will become due and payable upon each Note accepted for payment pursuant to the Change of Control Offer;
- (9) that each Holder electing to tender a Note pursuant to the Change of Control Offer will be required to surrender such Note or cause such Note to be surrendered at the place or places set forth in the Change of Control Offer prior to the close of business on the Change of Control Expiration Date (such Note being, if the Company or the Trustee so requires, duly endorsed by, or accompanied by a written instrument of transfer in form satisfactory to the Company and the Trustee duly executed by, the Holder thereof or his attorney duly authorized in writing);
- (10) that Holders will be entitled to withdraw all or any portion of Notes tendered if the Company (or its paying agent) receives, not later than the close of business on the Change of Control Expiration Date, a facsimile transmission or letter setting forth the name of the Holder, the aggregate principal amount of the Notes the Holder tendered, the certificate numbers of the Notes the Holder tendered and a statement that such Holder is withdrawing all or a portion of his tender;
- (11) that, if Notes are duly tendered and not withdrawn pursuant to the Change of Control Offer, the Company shall purchase all such Notes; and
- (12) if applicable, that, in the case of any Holder whose Note is purchased only in part, the Company shall execute, and the Trustee shall authenticate and deliver to the Holder of such Note without service charge, a new Note or Notes, of any authorized denomination as requested by such Holder, in the aggregate principal amount equal to and in exchange for the unpurchased portion of the aggregate principal amount of the Notes so tendered.

(c) A Change of Control Offer shall be deemed to have been made by the Company with respect to the Notes if (i) within 60 days following the date of the consummation of a transaction or series of transactions that constitutes a Change of Control, the Company commences a Change of Control Offer for all outstanding Notes at the Change of Control Purchase Price (*provided* that the running of such 60-day period shall be suspended, for up to a maximum of 30 days, during any period when the commencement of such Change of Control Offer is delayed or suspended by reason of any court's or governmental authority's review of or ruling on any materials being employed by the Company to effect such Change of Control Offer, so long as the Company has used and continues to use its commercially reasonable efforts to make and conclude such Change of Control Offer promptly) and (ii) all Notes properly tendered pursuant to the Change of Control Offer are purchased on the terms of such Change of Control Offer.

(d) The Company will comply with the requirements of Rule 14e-1 under the Exchange Act and any other securities laws and regulations thereunder to the extent such laws or regulations are applicable in connection with the repurchase of the Notes pursuant to a Change of Control Offer. To the extent that the provisions of any securities laws or regulations conflict with the provisions of this Indenture, the Company will comply with the applicable securities laws and regulations and shall be deemed not to have breached its obligations described in this Indenture by virtue thereof.

(e) The Company will not be required to make a Change of Control Offer with respect to the Notes upon a Change of Control if (i) a third party makes such Change of Control Offer contemporaneously with or upon a Change of Control in the manner, at the times and otherwise in compliance with the requirements of this Indenture and purchases all Notes validly tendered and not withdrawn under such Change of Control Offer or (ii) a notice of redemption has been given pursuant to Section 3.07 hereof.

(f) A Change of Control Offer may be made in advance of a Change of Control, conditional upon such Change of Control, if a definitive agreement is in place for the Change of Control at the time of launching the Change of Control Offer.

(g) On the Change of Control Purchase Date, the Company will, to the extent permitted by law:

(1) accept for payment all Notes issued by it or portions thereof properly tendered pursuant to the Change of Control Offer;

(2) deposit with the Paying Agent an amount equal to the aggregate Change of Control Purchase Price in respect of all Notes or portions thereof so tendered; and

(3) deliver, or cause to be delivered, to the Trustee for cancellation of the Notes so accepted together with an Officers' Certificate to the Trustee stating that such Notes or portions thereof have been tendered to and purchased by the Company.

Section 4.14 [Reserved].

Section 4.15 *Additional Note Guarantees.*

The Company will cause each of its Domestic Subsidiaries that Incurs or in any other manner becomes liable for any Debt under the Credit Agreement or other Credit Facilities to execute and deliver to

the Trustee a Supplemental Indenture pursuant to which such Domestic Subsidiary will guarantee the Company's obligations under the Notes and this Indenture.

Section 4.16 *Limitations on Designation of Unrestricted Subsidiaries.*

(a) The Company may designate any Subsidiary of the Company to be an "Unrestricted Subsidiary" as provided below, in which event such Subsidiary and each other Person that is then or thereafter becomes a Subsidiary of such Subsidiary will be deemed to be an Unrestricted Subsidiary.

(b) The Company may designate any Subsidiary to be an Unrestricted Subsidiary if either:

(1) the Subsidiary to be so designated has Total Assets of \$1,000 or less; or

(2) the Company could make a Restricted Payment at the time of designation in an amount equal to the greater of the Fair Market Value or book value of such Subsidiary pursuant to Section 4.07 hereof (other than pursuant to Section 4.07(b)(17) and such amount is thereafter treated as a Restricted Payment for the purpose of calculating the amount available for Restricted Payments thereunder.

(c) An Unrestricted Subsidiary may be designated as a Restricted Subsidiary if (i) all the Debt of such Unrestricted Subsidiary could be Incurred under Section 4.09 hereof and (ii) all the Liens on the property and assets of such Unrestricted Subsidiary could be incurred pursuant Section 4.12 hereof.

Section 4.17 *Covenant Suspension Event.*

(a) If on any date following the Issue Date (i) the Notes have Investment Grade Ratings from both Rating Agencies, and (ii) no Default has occurred and is continuing under this Indenture (the occurrence of the events described in the foregoing clauses (i) and (ii) being collectively referred to as a "Covenant Suspension Event"), the Company and its Restricted Subsidiaries will not be subject to Sections 4.07, 4.08, 4.09, 4.10, 4.11, 4.13 and 4.15 hereof (collectively, the "Suspended Covenants").

In the event that the Company and its Restricted Subsidiaries are not subject to the Suspended Covenants under this Indenture for any period of time as a result of the foregoing, and on any subsequent date (the "Reversion Date") one or both of the Rating Agencies withdraw their Investment Grade Rating or downgrade the rating assigned to the Notes below an Investment Grade Rating, then the Company and its Restricted Subsidiaries will thereafter again be subject to the Suspended Covenants under this Indenture with respect to future events.

The period of time between the occurrence of a Covenant Suspension Event and the Reversion Date is referred to in this description as the "Suspension Period." In the event of any such reinstatement, no action taken or omitted to be taken by the Company or any of its Restricted Subsidiaries prior to such reinstatement will give rise to a Default or Event of Default under this Indenture with respect to Notes. With respect to Restricted Payments made after any such reinstatement, the amount of Restricted Payments made will be calculated as though Section 4.07 hereof had been in effect since the Issue Date and throughout the Suspension Period. Accordingly, Restricted Payments made during the Suspension Period will reduce the amounts available to be made as Restricted Payments under Section 4.07(a). No Subsidiary may be designated as an Unrestricted Subsidiary during the Suspension Period unless the Company would have been permitted to designate such Subsidiary to be an Unrestricted Subsidiary if a Suspension Period had not been in effect at the time of such designation.

(b) The Company shall provide an Officers' Certificate to the Trustee indicating the occurrence of any Covenant Suspension Event or Reversion Date. The Trustee will have no obligation to (i) independently determine or verify if such events have occurred, (ii) make any determination regarding the impact of actions taken during the Suspension Period on the Company's and its Subsidiaries' future compliance with their covenants or (iii) notify the holders of any Covenant Suspension Event or Reversion Date.

Section 4.18 *Compliance Certificate.*

(a) The Company and each Guarantor shall deliver to the Trustee, within 120 days after the end of each fiscal year, a certificate of the principal executive officer, principal financial officer or principal accounting officer stating that a review of the activities of the Company and its Subsidiaries during the preceding fiscal year has been made under the supervision of the signing officer with a view to determining whether the Company has complied in all material respects with all conditions and covenants under this Indenture (such compliance to be determined without regard to any period of grace or requirement of notice provided under this Indenture).

(b) So long as any of the Notes are outstanding, the Company will deliver to the Trustee, reasonably promptly after the principal executive officer, the principal financial officer, the principal accounting officer, any corporate executive vice president or the treasurer of the Company becomes aware that a Default or Event of Default has occurred and is continuing, an Officers' Certificate specifying such Default or Event of Default and what action the Company is taking or proposes to take with respect thereto.

Section 4.19 *Stay, Extension and Usury Laws.*

Each of the Company and each of the Guarantors covenants (to the extent that it may lawfully do so) that it will not at any time insist upon, plead, or in any manner whatsoever claim or take the benefit or advantage of, any stay, extension or usury law wherever enacted, now or at any time hereafter in force, that may affect the covenants or the performance of this Indenture; and each of the Company and each of the Guarantors (to the extent that it may lawfully do so) hereby expressly waives all benefit or advantage of any such law, and covenants that it will not, by resort to any such law, hinder, delay or impede the execution of any power herein granted to the Trustee, but will suffer and permit the execution of every such power as though no such law has been enacted.

ARTICLE 5  
SUCCESSORS

Section 5.01 *Consolidation, Merger, Conveyance, Transfer or Leases.*

(a) The Company will not in any transaction or series of transactions, consolidate with or merge into any other Person (other than a merger of a Subsidiary into the Company in which the Company is the continuing Person) or sell, assign, convey, transfer, lease or otherwise dispose of all or substantially all of the assets of the Company and its Restricted Subsidiaries, taken as a whole, to any other Person, unless:

(1) either:

(A) the Company shall be the continuing Person; or

(B) the Person (if other than the Company) formed by such consolidation or into which the Company is merged, or the Person that acquires, by sale, assignment, conveyance, transfer, lease or other disposition, all or substantially all of the assets of the Company and its Restricted Subsidiaries, taken as a whole (such Person, the “*Surviving Entity*”), (i) shall be a corporation, partnership, limited liability company or similar entity organized and validly existing under the laws of the United States, any political subdivision thereof or any state thereof or the District of Columbia and (ii) shall expressly assume, by a supplemental indenture, the due and punctual payment of all amounts due in respect of the principal of (and premium, if any) and interest on all the Notes and the performance of the covenants and obligations of the Company under this Indenture; *provided* that at any time the Company or its successor is not a corporation, there shall be a co-issuer of the Notes that is a corporation;

(2) immediately after giving effect to such transaction or series of transactions on a *pro forma* basis (including any Debt Incurred or anticipated to be Incurred in connection with or in respect of such transaction or series of transactions), no Default or Event of Default shall have occurred and be continuing or would result therefrom; and

(3) the Company delivers, or causes to be delivered, to the Trustee, in form satisfactory to the Trustee, an Officers’ Certificate and an Opinion of Counsel, each stating that such consolidation, merger, sale, conveyance, assignment, transfer, lease or other disposition complies with the requirements of this Indenture and that such supplemental indenture constitutes the legal, valid and binding obligation of the Surviving Entity subject to customary exceptions.

(b) Notwithstanding the foregoing, failure to satisfy the requirements of clause (2) of Section 5.01(a) hereof will not prohibit:

(1) a merger between the Company and a Restricted Subsidiary that is a wholly owned Subsidiary of the Company or a sale, assignment, conveyance, transfer, lease or other disposition of all or substantially all of the assets of the Company and its Restricted Subsidiaries, taken as a whole, to a Restricted Subsidiary that is a wholly owned Subsidiary of the Company; or

(2) a merger between the Company and an Affiliate incorporated solely for the purpose of converting the Company into a corporation organized under the laws of the United States or any political subdivision or state thereof; so long as the amount of Debt of the Company and its Restricted Subsidiaries is not increased thereby.

(c) For all purposes of this Indenture and the Notes, Subsidiaries of any Surviving Entity will, upon such transaction or series of transactions, become Restricted Subsidiaries or Unrestricted Subsidiaries as provided pursuant to this Indenture and all Debt, and all Liens on property or assets, of the Surviving Entity and its Restricted Subsidiaries that was not Debt, or were not Liens on property or assets, of the Company and its Restricted Subsidiaries immediately prior to such transaction or series of transactions shall be deemed to have been Incurred upon such transaction or series of transactions.

(d) Upon any transaction or series of transactions that are of the type described in, and are effected in accordance with, conditions described in clauses (a), (b) and (c) of this Section 5.01, the Surviving Entity shall succeed to, and be substituted for, and may exercise every right and power of, the Company, under this Indenture with the same effect as if such Surviving Entity had been named as the Company therein; and when a surviving Person duly assumes all of the obligations and covenants of the Company pursuant to this Indenture and the Notes, except in the case of a lease, the predecessor Person shall be relieved of all such obligations.

ARTICLE 6  
DEFAULTS AND REMEDIES

Section 6.01 *Events of Default.*

Each of the following is an “*Event of Default*” under this Indenture:

- (1) default in the payment in respect of the principal of (or premium on, if any) any Note when due and payable (whether at Stated Maturity or upon repurchase, acceleration, optional redemption or otherwise);
- (2) default in the payment of any interest upon any Note when it becomes due and payable, and continuance of such default for a period of 30 days;
- (3) except as permitted by this Indenture, any Note Guarantee of any Significant Subsidiary (or any group of Restricted Subsidiaries that, taken together, would constitute a Significant Subsidiary) shall for any reason cease to be, or it shall be asserted in writing by any Guarantor or the Company not to be, in full force and effect and enforceable in accordance with its terms (and, in the case of any such assertion, such default continues for a period of 10 days);
- (4) failure by the Company or any of its Restricted Subsidiaries to comply with Section 5.01 hereof;
- (5) default in the performance, or breach, of any other covenant or agreement of the Company or any Guarantor in this Indenture (other than a covenant or agreement a default in whose performance or whose breach is specifically dealt with in clause (1), (2), (3) or (4) of this Section 6.01), and continuance of such default or breach for a period of 60 days after written notice thereof (or 180 days in the case of such a default or breach under Section 4.03 hereof) has been given to the Company by the Trustee or to the Company and the Trustee by the Holders of at least 25% in aggregate principal amount of the outstanding Notes;
- (6) a default or defaults under any bonds, debentures, notes or other evidences of Debt (other than the Notes) by the Company or any Restricted Subsidiary that is a Significant Subsidiary having, individually or in the aggregate, a principal amount outstanding of at least \$300 million, whether such Debt now exists or shall hereafter be created, which default or defaults shall have resulted in the acceleration of the maturity of such Debt prior to its express maturity or shall constitute a failure to pay at least \$300 million of such Debt when due and payable after the expiration of any applicable grace period with respect thereto;
- (7) the entry against the Company or any Restricted Subsidiary that is a Significant Subsidiary of a final judgment or final judgments for the payment of money in an aggregate amount in excess of \$300 million (in excess of amounts covered by an independent third-party insurance as to which the insurer has been notified of such judgment and does not deny coverage, by a court or courts of competent jurisdiction, which judgments remain undischarged, unwaived, unstayed, unbonded or unsatisfied for a period of 60 consecutive days;
- (8) the Company or any Significant Subsidiary (or any group of Restricted Subsidiaries that, taken together, would constitute a Significant Subsidiary):

- (A) commences a voluntary insolvency proceeding;
- (B) consents to the entry of an order for relief against it in an involuntary insolvency proceeding or consents to its dissolution or winding-up;
- (C) consents to the appointment of a Custodian of it or for any substantial part of its property;
- (D) makes a general assignment for the benefit of its creditors;
- (E) generally is not paying its debts as they become due; or
- (F) takes any comparable action under any foreign laws relating to insolvency;

*provided, however*, for the avoidance of doubt, that the dissolution or liquidation of any Restricted Subsidiary into the Company or into another Restricted Subsidiary, other than as part of a credit reorganization, shall not constitute an Event of Default under this Section 6.01(8); and

- (9) a court of competent jurisdiction enters an order or decree under any Bankruptcy Law that:
  - (A) is for relief against the Company or any Significant Subsidiary (or any group of Restricted Subsidiaries that, taken together, would constitute a Significant Subsidiary) in an involuntary insolvency proceeding;
  - (B) appoints a Custodian of the Company or any Significant Subsidiary (or any group of Restricted Subsidiaries that, taken together, would constitute a Significant Subsidiary) or for any substantial part of their property;
  - (C) orders the winding-up, liquidation or dissolution of the Company or any Significant Subsidiary (or any group of Restricted Subsidiaries that, taken together, would constitute a Significant Subsidiary);
  - (D) orders the presentation of any plan or arrangement, compromise or reorganization of the Company or any Significant Subsidiary (or any group of Restricted Subsidiaries that, taken together, would constitute a Significant Subsidiary); or
  - (E) grants any similar relief under any foreign laws;

and in each such case the order or decree remains undischarged, unstayed and in effect for 60 days.

The foregoing will constitute Events of Default whatever the reason for any such Event of Default and whether it is voluntary or involuntary or is effected by operation of law or pursuant to any judgment, decree or order of any court or any order, rule or regulation of any administrative or governmental body.

Section 6.02 *Acceleration of Maturity; Rescission.*

- (a) If an Event of Default (other than an Event of Default specified in clause (8) or (9) of Section 6.01 hereof with respect to the Company) occurs and is continuing, then and in every such case

the Trustee or the Holders of not less than 25% in aggregate principal amount of the outstanding Notes may declare the principal of the Notes and any accrued interest on the Notes to be due and payable immediately by a notice in writing to the Company (and to the Trustee if given by Holders); *provided, however*, that after such acceleration, the Holders of a majority in aggregate principal amount of the outstanding Notes may rescind and annul such acceleration if (i) the rescission would not conflict with any judgment or decree and (ii) all Events of Default, other than the nonpayment of accelerated principal of or interest on the Notes, have been cured or waived as provided in this Indenture. No such rescission shall affect any subsequent Default or impair any right consequent thereto.

(b) In the event of a declaration of acceleration of the Notes solely because an Event of Default described in clause (6) of Section 6.01 hereof has occurred and is continuing, the declaration of acceleration of the Notes shall be automatically rescinded and annulled if the event of default or payment default triggering such Event of Default pursuant to clause (6) of Section 6.01 hereof shall be remedied or cured by the Company or a Restricted Subsidiary of the Company or waived by the holders of the relevant Debt within 20 Business Days after the declaration of acceleration with respect thereto and if the rescission and annulment of the acceleration of the Notes would not conflict with any judgment or decree of a court of competent jurisdiction obtained by the Trustee for the payment of amounts due on the Notes.

(c) If an Event of Default specified in clause (8) or (9) of Section 6.01 hereof occurs with respect to the Company, the principal of and any accrued interest on the Notes then outstanding shall *ipso facto* become immediately due and payable without any declaration or other act on the part of the Trustee or any Holder.

#### Section 6.03 *Other Remedies.*

(a) If an Event of Default occurs and is continuing, the Trustee is authorized to pursue any available remedy by proceeding at law or in equity to collect the payment of principal of, or premium, if any, and interest on the Notes, as the case may be, or to enforce the performance of any provision of the Notes or this Indenture and may take any necessary action requested of it as Trustee to settle, compromise, adjust or otherwise conclude any proceedings to which it is a party.

(b) The Trustee is authorized to maintain a proceeding even if it does not possess any of the Notes or does not produce any of them in the proceeding. Any such proceeding instituted by the Trustee may be brought in its own name and as trustee of an express trust, and any recovery of judgment shall, after provision for the payment of the compensation, expenses, disbursements of the Trustee and its counsel, be for the ratable benefit of the Holders of the Notes in respect of which such judgment has been recovered. A delay or omission by the Trustee or any Holder in exercising any right or remedy accruing upon an Event of Default shall not impair the right or remedy or constitute a waiver of or acquiescence in the Event of Default. No remedy is exclusive of any other remedy. All available remedies are cumulative, to the extent permitted by law. Any costs, including attorneys' fees and expenses, associated with actions taken by the Trustee under this Section 6.03 shall be reimbursed to the Trustee by the Company.

#### Section 6.04 *Waiver of Past Defaults and Events of Default.*

The Holders of not less than a majority in aggregate principal amount of the outstanding Notes may on behalf of the Holders of all the Notes waive any past Default under this Indenture and its consequences, except a Default:

(1) in any payment in respect of the principal of (or premium, if any) or interest on any Notes (including any Note which is required to have been purchased pursuant to a Change of Control Offer or Asset Sale Offer which has been made by the Company); or

(2) in respect of a covenant or provision of this Indenture which under this Indenture cannot be modified or amended without the consent of the Holder of each outstanding Note affected thereby.

Section 6.05 *Control by Majority.*

The Holders of a majority in principal amount of the outstanding Notes will have the right to direct the time, method and place of conducting any proceeding for any remedy available to the Trustee or exercising any trust or power conferred on the Trustee, subject to receipt by the Trustee of security and indemnity satisfactory to the Trustee. However, the Trustee may refuse to follow any direction that conflicts with law or this Indenture or that the Trustee determines may be unduly prejudicial to the rights of other Holders of Notes or that may involve the Trustee in personal liability.

Section 6.06 *Limitation on Suits.*

No Holder of any Note will have any right to institute any proceeding with respect to this Indenture or for any remedy hereunder, unless such Holder shall have previously given to the Trustee written notice of a continuing Event of Default and unless also the Holders of at least 25% in aggregate principal amount of the outstanding Notes shall have made written request to the Trustee, and provided security and indemnity satisfactory to the Trustee, to institute such proceeding as Trustee, and the Trustee shall not have received from the Holders of a majority in aggregate principal amount of the outstanding Notes a direction inconsistent with such request and shall have failed to institute such proceeding within 60 days. Such limitations do not apply, however, to a suit instituted by a Holder of a Note directly (as opposed to through the Trustee) for enforcement of payment of the principal of (and premium, if any) or interest on such Note on or after the respective due dates expressed in such Note.

Section 6.07 *Rights of Holders To Receive Payment.*

Notwithstanding any other provision of this Indenture, the right of any Holder of a Note to receive payment of the principal of (and premium, if any) or interest on such Note (including in connection with an offer to purchase) or to bring suit for the enforcement of any such payment, on or after the due date expressed in the Notes shall not be impaired or affected without the consent of such Holder.

Section 6.08 *Collection Suit by Trustee.*

If an Event of Default specified in clause (1) or (2) of Section 6.01 hereof occurs and is continuing, the Trustee is authorized to recover judgment in its own name and as trustee of an express trust against the Company (or any other obligor on the Notes) for the whole amount of unpaid principal (and premium, if any) and accrued interest remaining unpaid.

Section 6.09 *Trustee May File Proofs of Claim.*

The Trustee is authorized to file such proofs of claim and other papers or documents as may be necessary or advisable in order to have the claims of the Trustee (including any claim for the compensation, expenses, disbursements and advances of the Trustee, its agents and counsel, and any other amounts due the Trustee under Section 7.06 hereof) and the Holders allowed in any judicial proceedings relative to the Company (or any other obligor upon the Notes), its creditors or its property and, unless prohibited by

law, shall be entitled and empowered to collect and receive any monies or other property payable or deliverable on any such claims and to distribute the same after deduction of its charges and expenses to the extent that any such charges and expenses are not paid out of the estate in any such proceedings and any custodian in any such judicial proceeding is hereby authorized by each Holder to make such payments to the Trustee, and in the event that the Trustee shall consent to the making of such payments directly to the Holders, to pay to the Trustee any amount due to it for the compensation, expenses, disbursements and advances of the Trustee, its agents and counsel, and any other amounts due the Trustee under Section 7.06 hereof. To the extent that the payment of any such compensation, expenses, disbursements and advances of the Trustee, and any other amounts due the Trustee under Section 7.06 hereof out of the estate in any such proceeding, shall be denied for any reason, payment of the same shall be secured by a Lien on, and shall be paid out of, any and all distributions, dividends, money, securities and other properties that the Holders may be entitled to receive in such proceeding whether in liquidation or under any plan of reorganization or arrangement or otherwise.

Nothing herein contained shall be deemed to authorize the Trustee to authorize or consent to or accept or adopt on behalf of any Holder any plan of reorganization, arrangement, adjustment or composition affecting the Notes or the rights of any Holder thereof, or to authorize the Trustee to vote in respect of the claim of any Holder in any such proceedings. All rights of action and claims under this Indenture or the Notes may be prosecuted and enforced by the Trustee without the possession of any of the Notes thereof in any proceeding relating thereto, and any such proceeding instituted by the Trustee shall be brought in its own name as trustee of an express trust, and any recovery of judgment shall, after provision for the payment of the compensation, expenses, disbursements and advances of the Trustee, its agents and counsel, be for the ratable benefit of the Holders in respect of which such judgment has been recovered.

Section 6.10 *Priorities.*

Any money or property collected by the Trustee pursuant to this Article 6, and any money or other property distributable in respect of the Company's obligations under this Indenture after an Event of Default shall be applied in the following order:

FIRST: to the Trustee (including any predecessor Trustee) for amounts due under Section 7.06 hereof;

SECOND: to Holders for amounts due and unpaid on the affected Notes for principal, premium, if any, and interest as to each, ratably, without preference or priority of any kind, according to the amounts due and payable on the affected Notes; and

THIRD: to the Company.

The Trustee may fix a record date and payment date for any payment to Holders pursuant to this Section 6.10.

Section 6.11 *Undertaking for Costs.*

In any suit for the enforcement of any right or remedy under this Indenture or in any suit against the Trustee for any action taken or omitted by it as Trustee, a court in its discretion may require the filing by any party litigant in the suit of an undertaking to pay the costs of the suit, and the court in its discretion may assess reasonable costs, including reasonable attorneys' fees and expenses, against any party litigant in the suit, having due regard to the merits and good faith of the claims or defenses made by the party litigant. This Section 6.11 does not apply to a suit by the Trustee, a suit by a Holder pursuant to Section 6.07 hereof or a suit by Holders of more than 10% in principal amount of the Notes then outstanding.

*Delay or Omission Not Waiver.*

No delay or omission of the Trustee or of any Holder of any Notes to exercise any right or remedy occurring upon an Event of Default shall impair any such right or remedy or constitute a waiver of any such Event of Default or an acquiescence therein. Every right and remedy given by this Article 6 or by law to the Trustee or to the Holders may be exercised from time to time, and as often as may be deemed expedient, by the Trustee or by the Holders, as the case may be.

ARTICLE 7  
TRUSTEE

Section 7.01 *Duties of Trustee.*

(a) If an Event of Default actually known to a Responsible Officer of the Trustee has occurred and is continuing, the Trustee will exercise such of the rights and powers vested in it under this Indenture, and use the same degree of care and skill in their exercise, as a prudent person would exercise or use under the circumstances in the conduct of its own affairs.

(b) Except during the continuance of an Event of Default:

(1) the Trustee undertakes to perform such duties and only such duties as are specifically set forth in this Indenture, and no implied covenants or obligations shall be read into this Indenture against the Trustee; and

(2) in the absence of bad faith on its part, the Trustee may conclusively rely, as to the truth of the statements and the correctness of the opinions expressed therein, upon certificates or opinions furnished to the Trustee and conforming to the requirements of this Indenture but, in the case of any such certificates or opinions which by any provision hereof are specifically required to be furnished to the Trustee, the Trustee shall examine the same to determine whether or not they conform to the requirements of this Indenture (but need not confirm or investigate the accuracy of mathematical calculations or other facts, statements, opinions or conclusions stated therein).

(c) No provision of this Indenture shall be construed to relieve the Trustee from liability for its own negligent action, its own negligent failure to act, or its own willful misconduct, except that:

(1) this paragraph does not limit the effect of clause (b) or (d) of this Section 7.01;

(2) the Trustee shall not be liable for any error of judgment made in good faith by a Responsible Officer or Responsible Officers of the Trustee, unless it is proved that the Trustee was negligent in ascertaining the pertinent facts; and

(3) the Trustee shall not be liable with respect to any action it takes or omits to take in good faith in accordance with a direction of the Holders of a majority in aggregate principal amount of the outstanding Notes, determined as provided herein, relating to the time, method and place of conducting any proceeding for any remedy available to the Trustee, or exercising any trust or power conferred upon the Trustee, under this Indenture with respect to the Notes.

(d) No provision of this Indenture shall require the Trustee to expend or risk its own funds or otherwise incur any liability. The Trustee will be under no obligation to exercise any of its rights and

powers under this Indenture at the request of any Holders, unless such Holders have offered to the Trustee security and indemnity satisfactory to it against any cost, loss, liability or expense.

(e) Whether or not therein expressly so provided, every provision of this Indenture relating to the conduct of, affecting the liability of, or affording protection to, the Trustee shall be subject to the provisions of this Section 7.01.

(f) The Trustee shall not be liable for interest or earnings on any money received by it except as the Trustee may agree in writing with the Company. Money held in trust by the Trustee need not be segregated from other funds except to the extent required by the law.

(g) The Trustee shall not be responsible for the application of any money by any Paying Agent other than the Trustee.

#### Section 7.02 *Rights of Trustee.*

Subject to Section 7.01 hereof:

(a) The Trustee may conclusively rely and shall be fully protected in acting or refraining from acting upon any resolution, certificate, statement, instrument, opinion, report, notice, request, direction, consent, order, bond, debenture, note, other evidence of indebtedness or other paper or document (whether in its original or facsimile form) believed in good faith by it to be genuine and to have been signed or presented by the proper person. The Trustee need not investigate any fact or matter stated in the document.

(b) Any request or direction of the Company mentioned herein shall be sufficiently evidenced by a Company Order and any resolution of the Board of Directors may be sufficiently evidenced by a board resolution.

(c) Whenever in the administration of this Indenture the Trustee shall deem it desirable that a matter be proved or established prior to taking, suffering or omitting any action hereunder, the Trustee (unless other evidence be herein specifically prescribed) may, in the absence of bad faith on its part, conclusively rely upon an Officers' Certificate or an Opinion of Counsel or both.

(d) The Trustee may execute any of the trusts or powers hereunder or perform any duties hereunder either directly or by or through attorneys or agents and the Trustee shall not be responsible for any misconduct or negligence on the part of any agent appointed with due care by it hereunder.

(e) The Trustee shall not be liable for any action taken, suffered, or omitted to be taken in good faith and believed by it to be authorized or within the discretion or rights or powers conferred upon it by this Indenture.

(f) The Trustee may consult with counsel of its selection, and the advice of such counsel or any Opinion of Counsel shall be full and complete authorization and protection from liability in respect of any action taken, omitted or suffered by it hereunder in good faith and in reliance thereon.

(g) The Trustee shall be under no obligation to exercise any of the rights or powers vested in it by this Indenture at the request or direction of any of the Holders pursuant to this

Indenture, unless such Holders shall have offered to the Trustee security and indemnity satisfactory to the Trustee against the costs, losses, expenses and liabilities which might be incurred by it in compliance with such request or direction and then only to the extent required by the terms of this Indenture.

(h) The rights, privileges, protections, immunities and benefits given to the Trustee, including, without limitation, its right to be indemnified, are extended to, and shall be enforceable by, the Trustee in each of its capacities hereunder, and each agent, custodian and other Person employed to act hereunder.

(i) The Trustee shall not be bound to make any investigation into the facts or matters stated in any resolution, certificate, statement, instrument, opinion, report, notice, request, direction, consent, order, bond, debenture, note, other evidence of indebtedness or other paper or document, but the Trustee, in its discretion, may make such further inquiry or investigation into such facts or matters as it may see fit, and, if the Trustee shall determine to make such further inquiry or investigation, it shall be entitled to examine the books, records, and premises of the Company, personally or by agent or attorney at the sole cost of the Company and shall incur no liability or additional liability of any kind by reason of such inquiry or investigation.

(j) The Trustee shall not be deemed to have notice or be charged with knowledge of any Default or Event of Default unless a Responsible Officer of the Trustee has actual knowledge thereof or unless written notice of such Default or Event of Default from the Company or any Holder is received by the Trustee at the Corporate Trust Office of the Trustee, and such notice references the Notes and this Indenture.

(k) The Trustee may request that the Company deliver an Officers' Certificate setting forth the names of individuals and/or titles of officers authorized at such time to take specified actions pursuant to this Indenture, which Officers' Certificate may be signed by any person authorized to sign an Officers' Certificate, including any person specified as so authorized in any such certificate previously delivered and not superseded.

(l) Anything in this Indenture notwithstanding, in no event shall the Trustee be liable for special, indirect, punitive or consequential loss or damage of any kind whatsoever (including, but not limited to, loss of profit), even if the Trustee has been advised as to the likelihood of such loss or damage and regardless of the form of action.

(m) The Trustee shall not be responsible or liable for any failure or delay in the performance of its obligations under this Indenture arising out of or caused, directly or indirectly, by circumstances beyond its control, including, without limitation, any provision of any law or regulation or any act of any governmental authority; natural catastrophes or other acts of God; earthquakes; fire; flood; terrorism; wars and other military disturbances; sabotage; epidemics; riots; interruptions; loss or malfunctions of utilities, computer (hardware or software) or communication services; accidents; labor disputes; acts of civil or military authority and governmental action.

(n) The permissive right of the Trustee to take or refrain from taking action hereunder shall not be construed as a duty.

(o) Before the Trustee acts or refrains from acting, it may require an Officers' Certificate or an Opinion of Counsel or both. The Trustee shall not be liable for any action it takes or omits to take in good faith in reliance on such Officers' Certificate or Opinion of Counsel.

The Trustee in its individual or any other capacity may become the owner or pledgee of Notes and may make loans to, accept deposits from, perform services for or otherwise deal with the Company or any Affiliate thereof with the same rights it would have if it were not Trustee. However, in the event that the Trustee acquires any conflicting interest within the meaning of Section 310(b)(1) of the Trust Indenture Act, it must eliminate such conflict within 90 days, apply to the Commission for permission to continue as Trustee (if this Indenture has been qualified under the Trust Indenture Act) or resign.

Any Agent may do the same with like rights. The Trustee is also subject to Section 7.09 hereof.

Section 7.04 *Trustee's Disclaimer.*

The recitals contained herein and in the Notes, except the Trustee's certificates of authentication, shall be taken as the statements of the Company, and the Trustee assumes no responsibility for their correctness. The Trustee shall not be responsible for and makes no representations as to the validity, sufficiency or adequacy of this Indenture or of the Notes. The Trustee shall not be accountable for the use or application by the Company of Notes or the proceeds thereof. The Trustee shall not be responsible to make any calculation with respect to any matter under this Indenture. The Trustee shall have no duty to monitor or investigate the Company's compliance with or the breach of, or cause to be performed or observed, any representation, warranty or covenant made in this Indenture.

Section 7.05 *Notice of Defaults.*

Within 90 days after the occurrence thereof, and if actually known to a Responsible Officer of the Trustee, the Trustee shall give to the Holders of the Notes a notice of each Default or Event of Default with respect to the Notes known to the Trustee, by transmitting such notice to Holders at their addresses as the same shall then appear on the register of the Notes kept by the Registrar, unless such Default shall have been cured or waived before the giving of such notice and a Responsible Officer of the Trustee has actual knowledge of such cure or waiver. Except in the case of a Default or Event of Default in payment of the principal of (and premium, if any) or interest on any of the Notes when and as the same shall become payable, or to make any payments pursuant to a redemption or repurchase of the Notes pursuant to the provisions of this Indenture, the Trustee shall be protected in withholding such notice if and so long as the board of directors, the executive committee, or a trust committee of directors and/or Responsible Officers in good faith determines that withholding the notice is in the interests of Holders.

Section 7.06 *Compensation and Indemnity.*

(a) The Company shall pay to the Trustee and Agents from time to time such compensation for their services hereunder (which compensation shall not be limited by any provision of law in regard to the compensation of a trustee of an express trust) as shall be agreed upon in writing. The Company shall reimburse the Trustee and Agents upon request for all disbursements, expenses and advances incurred or made by them in connection with the Trustee's duties under this Indenture, including the compensation, disbursements and expenses of the Trustee's agents and external counsel, except any such expense, disbursement or advance as may be attributable to its willful misconduct or negligence.

(b) The Company and the Guarantors, jointly and severally, shall fully indemnify each of the Trustee and their officers, agents and employees and any predecessor Trustee for, and hold each of them harmless against, any and all loss, damage, claim, liability or expense, including, without limitation, attorneys' fees and expenses incurred by each of them in connection with the acceptance or performance of its duties under this Indenture including the costs and expenses of defending itself against any claim

(whether asserted by the Company, the Guarantors or any Holder or any other Person) or liability in connection with the exercise or performance of any of its powers or duties hereunder (including, without limitation, settlement costs). The Trustee or Agent shall notify the Company in writing promptly of any claim of which a Responsible Officer of the Trustee has actual knowledge asserted against the Trustee or Agent for which it may seek indemnity; *provided* that the failure by the Trustee or Agent to so notify the Company shall not relieve the Company or the Guarantors of their obligations hereunder. The Trustee may have separate counsel with respect to the defense of any such claim and the Company and the Guarantors, jointly and severally, shall pay the reasonable fees and expenses of such counsel; *provided, however*, that the Company and the Guarantors shall not be required to pay such fees and expenses if they assume the Trustee's defense and, in the Trustee's reasonable judgment, there is no conflict of interest between (i) the Company and the Guarantors, as applicable, and (ii) the Trustee in connection with such defense or potential harm to the Trustee's business.

(c) Notwithstanding the foregoing, the Company need not reimburse the Trustee for any expense or indemnify it against any loss or liability to have been incurred by the Trustee through its own willful misconduct or negligence.

(d) To secure the payment obligations of the Company in this Section 7.06, the Trustee shall have a Lien prior to the Notes on all money or property held or collected by the Trustee and such money or property held in trust to pay principal of and interest on particular Notes. Such Lien will survive the satisfaction and discharge of this Indenture.

(e) The obligations of the Company under this Section 7.06 to compensate and indemnify the Trustee, Agents and each predecessor Trustee and to pay or reimburse the Trustee, Agents and each predecessor Trustee for expenses, disbursements and advances shall be the liability of the Company and the Lien provided for under this Section 7.06 and shall survive the resignation or removal of the Trustee and the satisfaction, discharge or other termination of this Indenture for any reason, including any termination or rejection hereof under any Bankruptcy Law.

(f) In addition to, but without prejudice to its other rights under this Indenture, when the Trustee incurs expenses or renders services after an Event of Default specified in clause (8) or (9) of Section 6.01 hereof occurs, the expenses (including the reasonable charges and expenses of its agents and counsel) and the compensation for the services are intended to constitute expenses of administration under any Bankruptcy Law.

(g) For purposes of this Section 7.06, the term "Trustee" shall include any predecessor Trustee; *provided, however*, that the negligence, willful misconduct or bad faith of any Trustee hereunder shall not affect the rights of any other Trustee hereunder.

#### Section 7.07 *Replacement of Trustee.*

(a) A resignation or removal of the Trustee and appointment of a successor Trustee will become effective only upon the successor Trustee's acceptance of appointment as provided in this Section 7.07.

(b) The Trustee may resign, and be discharged from the trust hereby created, at any time by so notifying the Company in writing no later than 15 Business Days prior to the date of the proposed resignation. The Holders of a majority in principal amount of the outstanding Notes may remove the Trustee by notifying the Company and the removed Trustee in writing and may appoint a successor Trustee with the Company's written consent, which consent shall not be unreasonably withheld. The Company may remove the Trustee at its election if:

- Law;
- (1) the Trustee fails to comply with Section 7.09 hereof;
  - (2) the Trustee is adjudged a bankrupt or an insolvent or an order for relief is entered with respect to the Trustee under Bankruptcy Law;
  - (3) a receiver or other public officer takes charge of the Trustee or its property; or
  - (4) the Trustee otherwise becomes incapable of acting.

(c) If the Trustee resigns or is removed or if a vacancy exists in the office of Trustee for any reason, the Company shall promptly appoint a successor Trustee.

(d) If a successor Trustee does not take office within 30 days after the retiring Trustee resigns or is removed, the retiring Trustee, the Company or the Holders of at least 10% in principal amount of the outstanding Notes may petition at the expense of the Company any court of competent jurisdiction for the appointment of a successor Trustee.

(e) If the Trustee fails to comply with Section 7.09 hereof, any Holder may petition any court of competent jurisdiction for the removal of the Trustee and the appointment of a successor Trustee.

(f) A successor Trustee shall deliver a written acceptance of its appointment to the retiring Trustee and to the Company. Immediately following such delivery, the retiring Trustee shall, subject to the Lien and its rights under Section 7.06 hereof, transfer all property held by it as Trustee to the successor Trustee, the resignation or removal of the retiring Trustee shall become effective, and the successor Trustee shall have all the rights, powers and duties of the Trustee under this Indenture. A successor Trustee shall mail notice of its succession to each Holder. Notwithstanding replacement of the Trustee pursuant to this Section 7.07, the Lien and Company's obligations under Section 7.06 hereof shall continue for the benefit of the retiring Trustee.

Section 7.08 *Successor Trustee by Consolidation, Merger, etc.*

Any Person into which the Trustee or any successor to it in the trusts created by this Indenture shall be merged or converted, or any Person with which it or any successor to it shall be consolidated, or any Person resulting from any merger, conversion or consolidation to which the Trustee or any such successor to it shall be a party, or any Person to which the Trustee or any successor to it shall sell or otherwise transfer all or substantially all of the corporate trust business of the Trustee, shall be the successor Trustee under this Indenture without the execution or filing of any paper or any further act on the part of any of the parties hereto; *provided* that such Person shall be otherwise qualified and eligible under this Article 7. In case at the time such successor to the Trustee shall succeed to the trusts created by this Indenture with respect to the Notes, any of such Notes shall have been authenticated but not delivered by the Trustee then in office, any successor to such Trustee may adopt the certificate of authentication of any predecessor Trustee, and deliver such Notes so authenticated; and in case at that time any of the Notes shall not have been authenticated, any successor to the Trustee may authenticate such Notes either in the name of any predecessor hereunder or in the name of the successor Trustee; *provided, however*, that the right to adopt the certificate of authentication of any predecessor Trustee or authenticate Notes in the name of any predecessor Trustee shall apply only to its successor or successors by merger, conversion or consolidation.

There will at all times be a Trustee hereunder that is a Person (i) organized and doing business under the laws of the United States of America or of any state thereof, (ii) authorized under such laws to exercise corporate trustee power, and (iii) subject to supervision or examination by federal or state authorities. The Trustee (together with its corporate parent) shall have a combined capital and surplus of at least \$100.0 million as set forth in the most recent applicable published annual report of condition.

ARTICLE 8  
AMENDMENT, SUPPLEMENT AND WAIVER

Section 8.01 *Without Consent of Holders.*

Without the consent of any Holders, at any time and from time to time, the Company, the Guarantors and the Trustee may enter into one or more indentures supplemental to this Indenture and the Note Guarantees for any of the following purposes:

- (1) to evidence the succession of another Person to the Company and the assumption by any such successor of the covenants of the Company in this Indenture and the Note Guarantees and in the Notes;
- (2) to secure the Notes, to add to the covenants of the Company for the benefit of the Holders, or to surrender any right or power conferred upon the Company in this Indenture;
- (3) to add additional Events of Default;
- (4) to provide for uncertificated Notes in addition to or in place of the Certificated Notes;
- (5) to evidence and provide for the acceptance of appointment under this Indenture by a successor Trustee;
- (6) to provide for or confirm the issuance of Additional Notes in accordance with the terms of this Indenture;
- (7) to add a Guarantor or to release a Guarantor in accordance with the terms of this Indenture;
- (8) to cure or reform any ambiguity, defect, omission, mistake, manifest error or inconsistency or to conform this Indenture or the Notes to any provision of the "Description of Notes" set forth in the Offering Memorandum;
- (9) to comply with any requirements of the Commission with respect to the qualification of this Indenture under the Trust Indenture Act; or
- (10) to provide additional rights or benefits to the Holders or to make any change that does not adversely affect the rights of any Holder in any material manner.

Upon the written request of the Company accompanied by a board resolution of the Board of Directors of the Company authorizing the execution of any such supplemental indenture and upon receipt by the Trustee of the documents described in Section 8.05 hereof, the Trustee shall join with the Company in

the execution of such supplemental indenture unless such supplemental indenture affects the Trustee's own rights, duties or immunities under this Indenture, in which case the Trustee may, but shall not be obligated to, enter into such supplemental indenture.

Section 8.02 *With Consent of Holders.*

(a) With the consent of the Holders of not less than a majority in aggregate principal amount of the outstanding Notes, the Company, the Guarantors and the Trustee may enter into an indenture or indentures supplemental to this Indenture for the purpose of adding any provisions to or changing in any manner or eliminating any of the provisions of this Indenture or the Notes or of modifying in any manner the rights of the Holders of the Notes under this Indenture, including the definitions therein; *provided, however*, that no such supplemental indenture shall, without the consent of the Holder of each outstanding Note affected thereby:

(1) change the Stated Maturity of any Note or of any installment of interest on any Note, or reduce the amount payable in respect of the principal thereof or the rate of interest thereon or any premium payable thereon, or reduce the amount that would be due and payable on acceleration of the maturity thereof, or change the Place of Payment where, or the coin or currency in which, any Note or any premium or interest thereon is payable, or impair the right to institute suit for the enforcement of any such payment on or after the Stated Maturity thereof, or change the date on which any Notes may be subject to redemption or reduce the Redemption Price therefor;

(2) reduce the percentage in aggregate principal amount of the Notes, the consent of whose Holders is required for any such supplemental indenture, or the consent of whose Holders is required for any waiver (of compliance with certain provisions of this Indenture or of certain defaults hereunder and their consequences) provided for in this Indenture;

(3) modify the obligations of the Company to make a Change of Control Offer or an Asset Sale Offer upon a Change of Control or Asset Sale, as the case may be, if such modification was done after the occurrence of such event;

(4) modify or change any provision of this Indenture affecting the ranking of the Notes or any Note Guarantee in a manner adverse to the Holders of the Notes;

(5) modify any of the provisions of this Indenture described in this Section 8.02(a) or provisions relating to waiver of defaults or certain covenants, except to increase any such percentage required for such actions or to provide that certain other provisions of this Indenture cannot be modified or waived without the consent of the Holder of each outstanding Note affected thereby; or

(6) release any Note Guarantees required to be maintained under this Indenture (other than in accordance with the terms of this Indenture).

(b) The Holders of not less than a majority in aggregate principal amount of the outstanding Notes may on behalf of the Holders of all the Notes waive any past Default under this Indenture and its consequences, except a Default:

(1) in any payment in respect of the principal of (or premium, if any) or interest on any Notes (including any Note that is required to have been purchased pursuant to a Change of Control Offer or Asset Sale Offer that has been made by the Company); or

(2) in respect of a covenant or provision of this Indenture that under this Indenture cannot be modified or amended without the consent of the Holder of each outstanding Note affected.

(c) It is not necessary for the consent of the Holders under this Section 8.02 to approve the particular form of any proposed amendment, supplement or waiver, but it is sufficient if such consent approves the substance thereof.

(d) After an amendment that requires the consent of the Holders becomes effective, the Company shall mail to each registered Holder at such Holder's address appearing in the security register a notice briefly describing such amendment. However, the failure to give such notice to all Holders, or any defect therein, shall not impair or affect the validity of the amendment.

(e) Upon the written request of the Company accompanied by a board resolution of the Board of Directors of the Company authorizing the execution of any such supplemental indenture, and upon the receipt by the Trustee of evidence reasonably satisfactory to the Trustee of the consent of the Holders as aforesaid and upon receipt by the Trustee of the documents described in Section 8.05 hereof, the Trustee shall join with the Company in the execution of such supplemental indenture unless such supplemental indenture affects the Trustee's own rights, duties or immunities under this Indenture, in which case the Trustee may, but shall not be obligated to, enter into such supplemental indenture.

#### Section 8.03 *Revocation and Effect of Consents.*

(a) After an amendment, supplement, waiver or other action becomes effective, a consent to it by a Holder of a Note is a continuing consent conclusive and binding upon such Holder and every subsequent Holder of the same Note or portion thereof, and of any Note issued upon the transfer thereof or in exchange therefor or in place thereof, even if notation of the consent is not made on any such Note. However, any such Holder of a Note or subsequent Holder of a Note may revoke the consent as to its Note if the Trustee receives written notice of revocation before the date the amendment, supplement or waiver becomes effective. An amendment, supplement or waiver becomes effective with respect to the Notes in accordance with its terms and thereafter binds every Holder of Notes.

(b) The Company may, but shall not be obligated to, fix a record date for the purpose of determining the Holders entitled to consent to any amendment, supplement, or waiver. If a record date is fixed, then, notwithstanding clause (a) of this Section 8.03, those Persons who were Holders at such record date (or their duly designated proxies), and only such Persons, shall be entitled to consent to such amendment, supplement, or waiver or to revoke any consent previously given, whether or not such Persons continue to be Holders after such record date. No such consent shall be valid or effective for more than 180 days after such record date unless the consent of the requisite number of Holders has been obtained.

#### Section 8.04 *Notation on or Exchange of Notes.*

If an amendment, supplement or waiver changes the terms of a Note, the Company may require the Holder of the Note to deliver it to the Trustee. The Trustee may place an appropriate notation on the Note regarding the changed terms and return it to the Holder.

Alternatively, if the Company or the Trustee so determines, the Company in exchange for the Note shall issue and the Trustee shall authenticate a new Note that reflects the changed terms. Failure to make the appropriate notation or issue a new Note shall not affect the validity and effect of such amendment, supplement or waiver.

The Trustee shall sign any amendment, supplement or waiver authorized pursuant to this Article 8 if the amendment, supplement or waiver does not affect the rights, duties, liabilities or immunities of the Trustee. If it does affect the rights, duties, liabilities or immunities of the Trustee, the Trustee may, but need not, sign such amendment, supplement or waiver. In signing or refusing to sign such amendment, supplement or waiver the Trustee shall be entitled to receive and, subject to Section 7.01 hereof, shall be fully protected in relying upon an Officers' Certificate and an Opinion of Counsel stating, in addition to the matters required by Section 11.03 hereof, that such amendment, supplement or waiver is authorized or permitted by this Indenture.

ARTICLE 9  
SATISFACTION AND DISCHARGE OF INDENTURE; DEFEASANCE

Section 9.01 *Satisfaction and Discharge of Liability on Notes; Defeasance.*

(a) The Company may terminate its obligations and the obligations of the Guarantors with respect to the Notes and the related Note Guarantees under this Indenture, except for those which expressly survive by the terms of this Indenture, when:

(1) either:

(A) all Notes theretofore authenticated and delivered have been delivered to the Trustee for cancellation, or

(B) all such Notes not theretofore delivered to the Trustee for cancellation (i) have become due and payable or (ii) will become due and payable within one year or are to be called for redemption within one year (a "*Discharge*") under irrevocable arrangements satisfactory to the Trustee for the giving of notice of redemption by the Trustee in the name, and at the expense, of the Company, and the Company has irrevocably deposited or caused to be deposited with the Trustee funds in an amount sufficient to pay and discharge the entire indebtedness on the Notes not theretofore delivered to the Trustee for cancellation for principal of, premium, if any, and interest to the Stated Maturity or Redemption Date;

(2) no Default or Event of Default shall have occurred and be continuing on the date of the deposit or will occur as a result of the deposit and the deposit will not result in a breach or violation of, or constitute a default under, any other instrument to which the Company or any Guarantor is a party or by which the Company or any Guarantor is bound (other than a Default or Event of Default or a default or event of default under any such other instrument resulting from borrowing funds to be applied to make such deposit (and any similar concurrent deposit relating to other Debt) and the granting of Liens in connection therewith);

(3) the Company has paid or caused to be paid all other sums then due and payable under this Indenture by the Company;

(4) with respect to clause (1)(B) of this Section 9.01(a), the Company has delivered irrevocable instructions to the Trustee under this Indenture to apply the deposited money toward the payment of the Notes at maturity or on the Redemption Date, as the case may be; and

(5) the Company has delivered to the Trustee an Officers' Certificate and an Opinion of Counsel in form and substance reasonably acceptable to the Trustee, each stating that all conditions precedent under this Indenture relating to the Discharge have been complied with.

(b) The Company may elect, at its option, to have its obligations and the obligations of the Guarantors discharged with respect to the outstanding Notes and the related Note Guarantees ("*Legal Defeasance*"). Legal Defeasance means that the Company shall be deemed to have paid and discharged the entire indebtedness represented by the outstanding Notes, except for:

(1) the rights of Holders of such Notes to receive payments in respect of the principal of and any premium and interest on such Notes when payments are due;

(2) the Company's obligations with respect to such Notes concerning issuing temporary Notes under Section 2.11 hereof, registration of Notes under Section 2.04 hereof, mutilated, destroyed, lost or stolen Notes under Section 2.08 hereof, and the maintenance of an office or agency for payment under Section 2.04 hereof and money for security payments held in trust under Section 2.05 hereof;

(3) the rights, powers, trusts, duties, and immunities of the Trustee; and

(4) clauses (a) and (b) of this Section 9.01.

(c) In addition, the Company may elect, at its option, to have its obligations and the obligations of the Guarantors released with respect to Sections 4.03, 4.06 through 4.16, 4.18 and 5.01 hereof ("*Covenant Defeasance*"). In the event Covenant Defeasance occurs, Sections 6.01(3), (4), (5), (6) and (7) hereof will no longer constitute Event of Defaults with respect to the Notes.

(d) If the Company exercises its Legal Defeasance option, payment of the Notes may not be accelerated because of an Event of Default with respect thereto.

(e) Upon satisfaction of the conditions set forth herein and upon request of the Company, the Trustee shall acknowledge in writing the discharge of those obligations that the Company terminates.

(f) Notwithstanding clauses (a) and (b) of this Section 9.01, the Company's obligations in Sections 2.04, 2.06, 2.07, 2.08, 7.06, 9.03, 9.05 and 9.06 hereof and the rights and immunities of the Trustee under this Indenture shall survive until such time as the Notes have been paid in full. Thereafter, the Company's obligations in Sections 7.06, 9.03, 9.05 and 9.06 hereof and the rights and immunities of the Trustee under this Indenture shall survive.

#### Section 9.02 *Conditions to Defeasance.*

In order to exercise either Legal Defeasance or Covenant Defeasance with respect to the outstanding Notes:

(a) the Company must irrevocably have deposited or caused to be deposited with the Trustee as trust funds in trust for the purpose of making the following payments, specifically pledged as security for, and dedicated solely to the benefits of the Holders of such Notes: (1) money in an amount, or (2) U.S. Government Obligations, which through the scheduled payment of principal and interest in respect thereof in accordance with their terms will provide, not later than the due date of any payment, money in an amount or (3) a combination thereof, in each case sufficient without reinvestment, in the opinion of a nationally recognized firm of independent

public accountants (or, if two or more nationally recognized firms of independent public accountants decline to issue such opinion after the Company has made reasonable efforts to obtain such an opinion, in the opinion of the Company's chief financial officer) expressed in a written certification thereof delivered to the Trustee and in form and substance reasonably acceptable to the Trustee, to pay and discharge, and which shall be applied by the Trustee to pay and discharge, the entire indebtedness in respect of the principal of and premium, if any, and interest on such Notes on the Stated Maturity thereof or (if the Company has made irrevocable arrangements satisfactory to the Trustee for the giving of notice of redemption by the Trustee in the name and at the expense of the Company) the Redemption Date thereof, as the case may be, in accordance with the terms of this Indenture and the Notes;

(b) in the case of Legal Defeasance, the Company shall have delivered to the Trustee an Opinion of Counsel satisfactory to the Trustee stating that (1) the Company has received from, or there has been published by, the Internal Revenue Service a ruling or (2) since the date of this Indenture, there has been a change in the applicable United States federal income tax law, in either case (1) or (2) to the effect that, and based thereon such opinion shall confirm that, the Holders of the Notes will not recognize gain or loss for United States federal income tax purposes as a result of the deposit and Legal Defeasance to be effected with respect to such Notes and will be subject to United States federal income tax on the same amount, in the same manner and at the same times as would be the case if such deposit and Legal Defeasance were not to occur;

(c) in the case of Covenant Defeasance, the Company shall have delivered to the Trustee an Opinion of Counsel to the effect that the Holders of such outstanding Notes will not recognize gain or loss for United States federal income tax purposes as a result of the deposit and Covenant Defeasance to be effected with respect to such Notes and will be subject to United States federal income tax on the same amount, in the same manner and at the same times as would be the case if such deposit and Covenant Defeasance were not to occur;

(d) no Default or Event of Default with respect to the outstanding Notes shall have occurred and be continuing at the time of such deposit after giving effect thereto (other than a Default or Event of Default resulting from the borrowing of funds to be applied to such deposit (and any similar concurrent deposit relating to other Debt) and the granting of any Lien to secure such borrowing);

(e) such Legal Defeasance or Covenant Defeasance shall not cause the Trustee to have a conflicting interest within the meaning of the Trust Indenture Act (assuming all Notes are in default within the meaning of such Act);

(f) such Legal Defeasance or Covenant Defeasance shall not result in a breach or violation of, or constitute a default under, any material agreement or material instrument (other than this Indenture) to which the Company is a party or by which the Company is bound (other than a default or event of default under any such other instrument resulting from borrowing funds to be applied to make the deposit under this Indenture in connection with the legal defeasance or covenant defeasance (and any similar concurrent deposit relating to other Debt) and the granting of Liens in connection therewith); and

(g) the Company shall have delivered to the Trustee an Officers' Certificate and an Opinion of Counsel in form and substance reasonably acceptable to the Trustee, each stating that all conditions precedent with respect to such Legal Defeasance or Covenant Defeasance have been complied with.

Notwithstanding the foregoing, the Opinion of Counsel required by clause (b) of this Section 9.02 with respect to a Legal Defeasance need not to be delivered if all Notes not previously delivered to the Trustee for cancellation (x) have become due and payable, or (y) will become due and payable within one year at Stated Maturity or are to be called for redemption within one year under arrangements satisfactory to the Trustee for the giving of notice of redemption by the Trustee in the name, and at the expense, of the Company.

Section 9.03 *Deposited Money and U.S. Government Obligations To Be Held in Trust; Other Miscellaneous Provisions.*

(a) All money and U.S. Government Obligations (including the proceeds thereof) deposited with the Trustee pursuant to clause (a) of Section 9.02 hereof in respect of the outstanding Notes shall be held in trust and applied by the Trustee, in accordance with the provisions of such Notes and this Indenture, to the payment, either directly or through any Paying Agent, to the Holders of such Notes, of all sums due and to become due thereon in respect of principal, premium, if any, and accrued interest, but such money need not be segregated from other funds except to the extent required by law.

(b) The Company shall pay and indemnify the Trustee against any tax, fee or other charge imposed on or assessed against the U.S. Government Obligations deposited pursuant to clause (a) of Section 9.02 hereof or the principal, premium, if any, and interest received in respect thereof other than any such tax, fee or other charge which by law is for the account of the Holders of the outstanding Notes; it being understood that the Trustee shall bear no responsibility for any such tax, fee or other charge which by law is payable by or on behalf of the Holders.

(c) Anything in this Article 9 to the contrary notwithstanding, the Trustee shall deliver or pay to the Company from time to time upon a request of the Company any money or U.S. Government Obligations held by it as provided in clause (a) of Section 9.02 hereof which, in the opinion of a nationally recognized firm of independent public accountants expressed in a written certification thereof delivered to the Trustee in form and substance reasonably satisfactory to the Trustee, are in excess of the amount thereof which would then be required to be deposited to effect an equivalent Legal Defeasance or Covenant Defeasance.

Section 9.04 *Reinstatement.*

If the Trustee or Paying Agent is unable to apply any money or U.S. Government Obligations in accordance with Section 9.01 hereof by reason of any legal proceeding or by reason of any order or judgment of any court or governmental authority enjoining, restraining or otherwise prohibiting such application, the Company's obligations under this Indenture and the Notes shall be revived and reinstated as though no deposit had occurred pursuant to this Article 9 until such time as the Trustee or Paying Agent is permitted to apply all such money or U.S. Government Obligations in accordance with Section 9.01 hereof; *provided* that if the Company has made any payment of principal of, premium, if any, or accrued interest on any Notes because of the reinstatement of its obligations, the Company shall be subrogated to the rights of the Holders of such Notes to receive such payment from the money or U.S. Government Obligations held by the Trustee or Paying Agent.

Section 9.05 *Moneys Held by Paying Agent.*

In connection with the satisfaction and discharge of this Indenture, all moneys then held by any Paying Agent under the provisions of this Indenture shall, upon written demand of the Company, be paid to the Trustee, or if sufficient moneys have been deposited pursuant to clause (a) of Section 9.02 hereof, to the Company upon a request of the Company, and thereupon the Paying Agent shall be released from all further liability with respect to such moneys.

Section 9.06 *Moneys Held by Trustee.*

Any moneys deposited with the Trustee or any Paying Agent or then held by the Company in trust for the payment of the principal of, or premium, if any, or interest on any Note that are not applied but remain unclaimed by the Holder of such Note for two years after the date upon which the principal of, or premium, if any, or interest on such Note shall have respectively become due and payable shall be repaid to the Company upon a request of the Company, or if such moneys are then held by the Company in trust, such moneys shall be released from such trust; and the Holder of such Note entitled to receive such payment shall thereafter, as an unsecured general creditor, look only to the Company for the payment thereof, and all liability of the Trustee or the Paying Agent with respect to such trust money shall thereupon cease; *provided* that the Trustee or the Paying Agent, before being required to make any such repayment, may, at the expense of the Company either mail to each Holder affected, at the address shown in the register of the Notes maintained by the Registrar pursuant to Section 2.04 hereof, or cause to be published once a week for two successive weeks, in a newspaper published in the English language, customarily published each Business Day and of general circulation in The City of New York, New York, a notice that such money remains unclaimed and that, after a date specified therein, which shall not be less than 30 days from the date of such mailing or publication, any unclaimed balance of such moneys then remaining will be repaid to the Company. After payment to the Company or the release of any money held in trust by the Company, Holders entitled to the money must look only to the Company for payment as general creditors unless applicable abandoned property law designates another Person.

ARTICLE 10  
GUARANTEES

Section 10.01 *Guarantee.*

(a) Each Guarantor, hereby jointly and severally, absolutely, unconditionally and irrevocably guarantees the Notes and obligations of the Company hereunder and thereunder, and guarantees to each Holder of a Note authenticated and delivered by the Trustee, and to the Trustee on behalf of such Holder, that (i) the principal of (and premium, if any) and interest on the Notes will be paid in full when due, whether at Stated Maturity, by acceleration or otherwise (including, without limitation, the amount that would become due but for the operation of any automatic stay provision of any Bankruptcy Law), together with interest on the overdue principal, if any, and interest on any overdue interest, to the extent lawful, and all other obligations of the Company to the Holders or the Trustee hereunder or thereunder will be paid in full or performed, all in accordance with the terms hereof and thereof; and (ii) in case of any extension of time of payment or renewal of any Notes or of any such other obligations, the same will be paid in full when due or performed in accordance with the terms of the extension or renewal, whether at Stated Maturity, by acceleration or otherwise, subject, however, in the case of clauses (i) and (ii) above, to the limitations set forth in Section 10.03 hereof.

Each Guarantor hereby agrees that its obligations hereunder shall be unconditional, irrespective of the validity, regularity or enforceability of the Notes or this Indenture, the absence of any action to enforce the same, any waiver or consent by any Holder of Notes with respect to any provisions hereof or thereof, any release of any other Guarantor, the recovery of any judgment against the Company, any action to enforce the same or any other circumstance which might otherwise constitute a legal or equitable discharge or defense of a Guarantor.

(b) Each Guarantor hereby waives (to the extent permitted by law) the benefits of diligence, presentment, demand for payment, filing of claims with a court in the event of insolvency or bankruptcy of the Company, any right to require a proceeding first against the Company or any other Person, protest, notice and all demands whatsoever and covenants that the Note Guarantee of such Guarantor shall not be discharged as to the Notes, except by complete performance of the obligations contained in the Notes, this Indenture and such Note Guarantee. Each Guarantor acknowledges that the Note Guarantee is a guarantee of payment and not of collection. Each of the Guarantors hereby agrees that, in the event of a default in payment of principal (or premium, if any) or interest on any Note, whether at its Stated Maturity, by acceleration, purchase or otherwise, legal proceedings may be instituted by the Trustee on behalf of, or by, the Holder of such Note, subject to the terms and conditions set forth in this Indenture, directly against each of the Guarantors to enforce such Guarantor's Note Guarantee without first proceeding against the Company or any other Guarantor. Each Guarantor agrees that if, after the occurrence and during the continuance of an Event of Default, the Trustee or any of the Holders are prevented by applicable law from exercising their respective rights to accelerate the maturity of the Notes, to collect interest on the Notes, or to enforce or exercise any other right or remedy with respect to the Notes, such Guarantor will pay to the Trustee for the account of the Holders, upon demand therefor, the amount that would otherwise have been due and payable had such rights and remedies been permitted to be exercised by the Trustee or any of the Holders.

(c) If any Holder or the Trustee is required by any court or otherwise to return to the Company or any Guarantor, or any custodian, trustee, liquidator or other similar official acting in relation to either the Company or any Guarantor, any amount paid by any of them to the Trustee or such Holder, the Note Guarantee of each of the Guarantors, to the extent theretofore discharged, shall be reinstated in full force and effect. Each Guarantor further agrees that, as between each Guarantor, on the one hand, and the Holders and the Trustee, on the other hand, (x) subject to this Article 10, the maturity of the obligations guaranteed hereby may be accelerated as provided in Article 6 hereof for the purposes of the Note Guarantee of such Guarantor, notwithstanding any stay, injunction or other prohibition preventing such acceleration in respect of the obligations guaranteed hereby, and (y) in the event of any acceleration of such obligations as provided in Article 6 hereof, such obligations (whether or not due and payable) shall forthwith become due and payable by each Guarantor for the purpose of the Note Guarantee of such Guarantor.

(d) Each Note Guarantee shall remain in full force and effect and continue to be effective should any petition be filed by or against the Company for liquidation or reorganization, should the Company become insolvent or make an assignment for the benefit of creditors or should a receiver or trustee be appointed for all or any significant part of the Company's assets, and shall, to the fullest extent permitted by law, continue to be effective or be reinstated, as the case may be, if at any time payment and performance of the Notes are, pursuant to applicable law, rescinded or reduced in amount, or must otherwise be restored or returned by any obligee on the Notes, whether as a "voidable preference", "fraudulent transfer" or otherwise, all as though such payment or performance had not been made. In the event that any payment, or any part thereof, is rescinded, reduced, restored or returned, the Notes shall, to the fullest extent permitted by law, be reinstated and deemed reduced only by such amount paid and not so rescinded, reduced, restored or returned.

(e) To evidence its Note Guarantee, each Guarantor hereby agrees that a Notation of Guarantee substantially in the form attached as Exhibit D hereto will be endorsed by an officer of such Guarantor on each Note authenticated and delivered to the Trustee and that this Indenture or a supplemental indenture to this Indenture will be executed on behalf of such Guarantor by one of its officers. Each Guarantor hereby agrees that its Note Guarantee will remain in full force and effect notwithstanding any failure to endorse on each Note a Notation of Guarantee. The delivery of any Note by the Trustee, after the authentication thereof hereunder, will be deemed to constitute due delivery of the

Notation of Guarantee set forth in this Indenture by the Guarantors. If an officer whose signature is on this Indenture or on the Notation of Guarantee no longer holds that office at the time the Trustee authenticates the Note on which a Notation of Guarantee is endorsed, the Notation of Guarantee will be valid nevertheless.

Section 10.02            *Severability.*

In case any provision of any Note Guarantee shall be invalid, illegal or unenforceable, the validity, legality, and enforceability of the remaining provisions shall not in any way be affected or impaired thereby.

Section 10.03            *Limitation of Liability.*

Each Guarantor and by its acceptance hereof each Holder confirms that it is the intention of all such parties that the guarantee by each such Guarantor pursuant to its Note Guarantee not constitute a fraudulent transfer or conveyance for purposes of the Bankruptcy Law, the Uniform Fraudulent Conveyance Act, the Uniform Fraudulent Transfer Act or any similar federal or state law or the provisions of its local law relating to fraudulent transfer or conveyance. To effectuate the foregoing intention, the Holders and each such Guarantor hereby irrevocably agree that the obligations of such Guarantor under its Note Guarantee shall be limited to the maximum amount that will not, after giving effect to all other contingent and fixed liabilities of such Guarantor and after giving effect to any collections from or payments made by or on behalf of any other Guarantor in respect of the obligations of such other Guarantor under its Note Guarantee or pursuant to this Article 10, result in the obligations of such Guarantor under its Note Guarantee constituting such fraudulent transfer or conveyance.

Section 10.04            *Contribution.*

In order to provide for just and equitable contribution among the Guarantors, the Guarantors agree, *inter se*, that in the event any payment or distribution is made by any Guarantor under a Note Guarantee, such Guarantor will be entitled to a contribution from any other Guarantor in a *pro rata* amount based on the net assets of each Guarantor determined in accordance with GAAP.

Section 10.05            *Subrogation.*

Each Guarantor shall be subrogated to all rights of Holders against the Company in respect of any amounts paid by any Guarantor pursuant to the provisions of Section 10.01 hereof; *provided, however*, that if an Event of Default has occurred and is continuing, no Guarantor shall be entitled to enforce or receive any payments arising out of, or based upon, such right of subrogation until all amounts then due and payable by the Company under this Indenture or the Notes shall have been paid in full.

Section 10.06            *Reinstatement.*

Each Guarantor hereby agrees (and each Person who becomes a Guarantor shall agree) that the Note Guarantee provided for in Section 10.01 hereof shall continue to be effective or be reinstated, as the case may be, if at any time, payment, or any part thereof, of any obligations or interest thereon is rescinded or must otherwise be restored by a Holder to the Company upon the bankruptcy or insolvency of the Company or any Guarantor.

In the event of a sale or other transfer or disposition of all of the Capital Interests in any Guarantor to any Person that is not an Affiliate of the Company in compliance with the terms of this Indenture, or in the event all or substantially all the assets or Capital Interests of a Guarantor are sold or otherwise transferred, by way of merger, consolidation or otherwise, to a Person that is not an Affiliate of the Company in compliance with the terms of this Indenture, then such Guarantor (or the Person concurrently acquiring such assets of such Guarantor) shall be deemed automatically and unconditionally released and discharged of any obligations under its Note Guarantee in support thereof, as evidenced by a supplemental indenture executed by the Company, the Guarantors and the Trustee, without any further action on the part of the Trustee or any Holder.

In addition, the Note Guarantee of a Guarantor will be released:

- (1) if the Company designates any Restricted Subsidiary that is a Guarantor as an Unrestricted Subsidiary in accordance with the applicable provisions of this Indenture; or
- (2) upon the discharge of the Notes in accordance with this Indenture or upon Covenant Defeasance or Legal Defeasance of the Notes pursuant to this Indenture; or
- (3) upon the release, termination or satisfaction of all Debt of such Guarantor that would give rise to an obligation of the Company to cause such Guarantor to guarantee the Notes as more particularly described in Section 4.15 hereof.

Each Guarantor acknowledges that it will receive direct and indirect benefits from the financing arrangements contemplated by this Indenture and that its respective Note Guarantee and waiver pursuant to its respective Note Guarantee is knowingly made in contemplation of such benefits.

ARTICLE 11

Such notices or communications shall be effective when actually received and shall be sufficiently given if so given within the time prescribed in this Indenture.

The Company, and Guarantor or the Trustee by written notice to the others may designate additional or different addresses for subsequent notices or communications.

The Trustee shall have the right, but shall not be required, to rely upon and comply with instructions and directions sent by email, facsimile and other similar unsecured electronic methods by Persons believed by the Trustee to be authorized to give instructions and directions on behalf of the Company. The Trustee shall have no duty or obligation to verify or confirm that the Person who sent such instructions or directions is, in fact, a Person authorized to give instructions on behalf of the Company; and the Trustee shall have no liability for any losses, liabilities, costs or expenses incurred or sustained by the Company as a result of such reliance upon or compliance with such instructions or directions, *provided* that such reliance was in good faith. The Company agrees to assume all risks arising out of the use of such electronic methods to submit instructions and directions to the Trustee, including without limitation the risk of the Trustee acting on unauthorized instructions, and all the risk of interception and misuse by third parties.

Unless otherwise expressly provided in this Indenture, any notice or communication mailed to a Holder shall be mailed to him by first-class mail, postage prepaid, at his address shown on the register kept by the Registrar.

Failure to mail a notice or communication to a Holder or any defect in it shall not affect its sufficiency with respect to other Holders. If a notice or communication to a Holder is mailed in the manner provided above, it shall be deemed duly given, whether or not the addressee receives it.

If the Company mails a notice or communication to Holders, it will mail a copy to the Trustee and each Agent at the same time.

In case by reason of the suspension of regular mail service, or by reason of any other cause, it shall be impossible to mail any notice as required by this Indenture, then such method of notification as shall be made with the approval of the Trustee shall constitute a sufficient mailing of such notice.

Section 11.03 *Certificate and Opinion as to Conditions Precedent.*

Upon any request or application by the Company to the Trustee to take any action under this Indenture (other than the authentication and delivery of the Initial Notes), if so requested by the Trustee, the Company shall furnish to the Trustee:

(1) an Officers' Certificate in form and substance reasonably satisfactory to the Trustee (which must include the statements set forth in Section 11.04 hereof) stating that, in the opinion of the signers, all conditions precedent, if any, provided for in this Indenture relating to the proposed action have been complied with; and

(2) an Opinion of Counsel in form and substance reasonably satisfactory to the Trustee (which must include the statements set forth in Section 11.04 hereof) stating that, in the opinion of such counsel, all such conditions precedent have been complied with.

In any case where several matters are required to be certified by, or covered by an opinion of, any specified Person, it is not necessary that all such matters be certified by, or covered by the opinion of, only one such Person, or that they be so certified or covered by only one document, but one such Person may certify or give an opinion with respect to some matters and one or more other such eligible and qualified Persons as to other matters, and any such Person may certify or give an opinion as to such matters in one or several documents.

Any certificate or opinion of an officer of the Company may be based, insofar as it relates to legal matters, upon a certificate or opinion of, or representations by, counsel, unless such officer knows, or in the exercise of reasonable care should know, that the certificate or opinion or representations with respect to the matters upon which his certificate or opinion is based are erroneous. Any certificate or opinion of counsel may be based, insofar as it relates to factual matters, upon a certificate or opinion of, or representations by, an officer or officers of the Company stating the information on which counsel is relying unless such counsel knows, or in the exercise of reasonable care should know, that the certificate or opinion or representations with respect to such matters are erroneous.

Where any Person is required to make, give or execute two or more applications, requests, consents, certificates, statements, opinions or other instruments under this Indenture, they may, but need not, be consolidated and form one instrument.

Section 11.04 *Statements Required in Certificate and Opinion.*

Each certificate or opinion with respect to compliance with a condition or covenant provided for in this Indenture must include:

(1) a statement that the Person making such certificate or opinion has read such covenant or condition;

(2) a brief statement as to the nature and scope of the examination or investigation upon which the statements or opinions contained in such certificate or opinion are based;

(3) a statement that, in the opinion of such Person, he or she has made such examination or investigation as is necessary to enable him or her to express an informed opinion as to whether or not such covenant or condition has been satisfied; and

(4) a statement as to whether or not, in the opinion of such Person, such condition or covenant has been satisfied.

Section 11.05 *Rules by Trustee and Agents.*

The Trustee may make reasonable rules for action by or at a meeting of Holders. The Registrar or Paying Agent may make reasonable rules and set reasonable requirements for its functions.

Section 11.06 *No Personal Liability of Directors, Officers, Employees and Stockholders.*

No director, manager, officer, employee, stockholder, member, general or limited partner or incorporator, past, present or future, of the Company or any of its Subsidiaries, as such or in such capacity, shall have any personal liability for any obligations of the Company under the Notes, any Note Guarantee or this Indenture by reason of his, her or its status as such director, manager, officer, employee, stockholder, member, general or limited partner or incorporator. Each Holder of Notes by accepting a Note waives and releases all such liability. The waiver and release are part of the consideration for the issuance of the Notes and Note Guarantees.

Section 11.07 *Governing Law; Waiver of Jury Trial.*

THE INTERNAL LAW OF THE STATE OF NEW YORK WILL GOVERN AND BE USED TO CONSTRUE THIS INDENTURE, THE NOTES AND THE NOTE GUARANTEES WITHOUT GIVING EFFECT TO APPLICABLE PRINCIPLES OF CONFLICTS OF LAW TO THE EXTENT THAT THE APPLICATION OF THE LAWS OF ANOTHER JURISDICTION WOULD BE REQUIRED THEREBY.

EACH PARTY HEREBY WAIVES, TO THE FULLEST EXTENT PERMITTED BY APPLICABLE LAW, ANY RIGHT IT MAY HAVE TO A TRIAL BY JURY IN RESPECT OF ANY LITIGATION DIRECTLY OR INDIRECTLY ARISING OUT OF, OR IN CONNECTION WITH THIS INDENTURE.

Section 11.08 *No Adverse Interpretation of Other Agreements.*

This Indenture may not be used to interpret any other indenture, loan or debt agreement of the Company or its Subsidiaries or of any other Person. Any such indenture, loan or debt agreement may not be used to interpret this Indenture.

Section 11.09 *Successors.*

All agreements of the Company in this Indenture and the Notes will bind its successors. All agreements of the Trustee in this Indenture will bind its successors. All agreements of each Guarantor in this Indenture will bind its successors, except as otherwise provided in Section 10.07 hereof.

Section 11.10            *Separability.*

In case any provision in this Indenture or in the Notes is invalid, illegal or unenforceable, the validity, legality and enforceability of the remaining provisions will not in any way be affected or impaired thereby.

Section 11.11            *Counterpart Originals.*

The parties may sign any number of copies of this Indenture. Each signed copy will be an original, but all of them together represent the same agreement.

Section 11.12            *Table of Contents, Headings, etc.*

The Table of Contents, Cross-Reference Table and Headings of the Articles and Sections of this Indenture have been inserted for convenience of reference only, are not to be considered a part of this Indenture and will in no way modify or restrict any of the terms or provisions hereof.

6.375% SENIOR NOTE DUE 2020

1. Interest. ALLIANCE DATA SYSTEMS CORPORATION, a Delaware corporation, as issuer (the “Company”), promises to pay, until the principal hereof is paid or made available for payment, interest on the principal amount set forth on the face hereof at a rate of 6.375% per annum. Interest shall be payable in arrears on each April 1 and October 1 (each an “Interest Payment Date”). Interest on the 6.375% Senior Notes due 2020 (the “Notes”) will accrue from and including the most recent date to which interest has been paid or, if no interest has been paid, from and including March 29, 2012<sup>3</sup> to but excluding the date on which interest is paid; *provided* that the first Interest Payment Date shall be October 1, 2012<sup>3</sup>. Interest will be computed on the basis of a 360-day year comprised of twelve 30-day months. The Company shall pay interest on overdue principal and on overdue interest (to the full extent permitted by law) at the rate borne by the Notes.

2. Method of Payment. The Company will pay interest to those persons who were holders of record on the March 15 and September 15, as the case may be, immediately preceding each Interest Payment Date. Principal of and premium, if any, and interest on the Notes will be payable, and the Notes will be exchangeable and transferable, at the office or agency of the Company maintained for such purposes, which, initially, will be the Corporate Trust Office of the Trustee located in 750 N. Saint Paul Place, Suite 1750, MAC T9263-170, Dallas, Texas 75201; *provided, however*, that payment of interest with respect to the Notes may be made at the option of the Company by check mailed to the Person entitled thereto as shown on the security register or in accordance with the procedures of DTC for global book-entry Notes.

3. Paying Agent and Registrar. Initially, Wells Fargo Bank, N.A. (the “Trustee”) will act as a Paying Agent and Registrar. The Company may change any Paying Agent or Registrar without notice to the Holders. The Company or any of its Subsidiaries may act as Paying Agent.

4. Indenture. The Company issued the Notes under an Indenture dated as of March 29, 2012 (the “Indenture”) among the Company, the Guarantors and the Trustee. The terms of the Notes include those stated in the Indenture and those made part of the Indenture by reference to the Trust Indenture Act. The Notes are subject to all such terms, and Holders are referred to the Indenture and the Trust Indenture Act for a statement of such terms. To the extent any provision of this Note conflicts with the express provisions of the Indenture, the provisions of the Indenture shall govern and be controlling. Capitalized and certain other terms used and not otherwise defined herein have the meanings set forth in the Indenture.

5. Make-Whole Redemption of Notes. The Notes may be redeemed, in whole or in part, at any time prior to April 1, 2016, at the option of the Company upon not less than 30 nor more than 60 days’ prior notice mailed by first-class mail to each Holder’s registered address or sent in accordance with the procedures of DTC for Global Notes, at a Redemption Price equal to 100% of the principal amount of the Notes to be redeemed plus the Applicable Premium as of, and accrued and unpaid interest, if any, to, the applicable Redemption Date (subject to the right of Holders of record on the relevant record date to receive interest due on the relevant Interest Payment Date).

---

<sup>3</sup> With respect to the Initial Notes.

6. **Optional Redemption.** In addition, the Notes may be redeemed, in whole or in part, at any time on or after April 1, 2016, at the option of the Company upon not less than 30 nor more than 60 days' notice at the following Redemption Prices (expressed as percentages of the principal amount to be redeemed) set forth below, plus accrued and unpaid interest, if any, to, but not including, the Redemption Date (subject to the right of Holders of record on the relevant regular record date to receive interest due on an Interest Payment Date that is on or prior to the Redemption Date), if redeemed during the 12-month period beginning on April 1 of the years indicated:

<b><u>Year</u></b>	<b><u>Redemption Price</u></b>
2016	103.188%
2017	101.594%
2018 and thereafter	100.000%

“Applicable Premium” means, with respect to any Note on any applicable Redemption Date, the greater of:

- (1) 1% of the then outstanding principal amount of the Note; and
- (2) the excess of:
  - (A) the present value at such Redemption Date of (i) the Redemption Price of the Note at April 1, 2016 (such Redemption Price being set forth in the table above) plus (ii) all required interest payments due on the Note through April 1, 2016 (excluding accrued but unpaid interest), computed using a discount rate equal to the applicable Treasury Rate as of such Redemption Date plus 50 basis points; over
  - (B) the then outstanding principal amount of the Note.

“Treasury Rate” means, as of the applicable redemption date, the yield to maturity as of such redemption date of United States Treasury securities with a constant maturity (as compiled and published in the most recent Federal Reserve Statistical Release H.15(519) that has become publicly available at least two Business Days prior to such redemption date (or, if such Statistical Release is no longer published, any publicly available source of similar market data)) most nearly equal to the period from such redemption date to April 1, 2016; *provided, however*, that if the period from such redemption date to April 1, 2016 is less than one year, the weekly average yield on actually traded United States Treasury securities adjusted to a constant maturity of one year will be used.

7. **Redemption of Notes with Net Proceeds of Qualified Equity Offerings.** Prior to April 1, 2015, the Company may, with the net proceeds of one or more Qualified Equity Offerings, redeem up to 35% of the aggregate principal amount of the outstanding Notes (including Additional Notes) at a Redemption Price equal to 106.375% of the principal amount thereof, plus accrued and unpaid interest thereon, if any, to the Redemption Date; *provided* that at least 65% of the aggregate principal amount of Notes originally issued under the Indenture (including Additional Notes) remains outstanding immediately after the occurrence of any such redemption (excluding Notes held by the Company or its Subsidiaries) and that any such redemption occurs within 90 days following the closing of any such Qualified Equity Offering.

“Qualified Equity Offering” means a public or private offering of Qualified Capital Interests of the Company other than (x) any such offering to a Subsidiary of the Company and (y) any public offerings registered on Form S-8.

8. Redemption Procedures. If less than all of the Notes are to be redeemed, the Trustee will select the Notes or portions thereof in authorized denominations to be redeemed by lot, *pro rata* or by any other method customarily authorized by the clearing systems (subject to DTC procedures). No Notes of \$2,000 or less shall be redeemed in part and no redemption shall result in a Holder holding a Note of less than \$2,000. For all purposes of the Indenture unless the context otherwise requires, provisions of the Indenture that apply to Notes called for redemption also apply to portions of Notes called for redemption.

9. Notice of Redemption. Notices of redemption shall be sent electronically to DTC, in the case of Global Notes, or shall be mailed by first-class mail, in the case of Certificated Notes (and, to the extent permitted by applicable procedures or regulations, electronically) upon not less than 30 nor more than 60 days before the Redemption Date to each Holder of Notes to be redeemed at its registered address. If any Note is to be redeemed in part only, the notice of redemption that relates to that Note shall state the portion of the principal amount thereof to be redeemed.

10. Denominations, Transfer, Exchange. The Notes shall be issuable only in fully registered form without coupons in denominations of \$2,000 and integral multiples of \$1,000 in excess thereof.

11. Persons Deemed Owners. The Depository may be treated by the Company, the Trustee and any agent of the Company or the Trustee as the absolute owner of a Global Note for all purposes whatsoever.

12. Unclaimed Money. If money for the payment of principal or interest remains unclaimed for two years, the Trustee or Paying Agent will pay the money back to the Company at its request or, if such money is then held by the Company in trust, such money shall be released from such trust. After that, Holders entitled to the money must look only to the Company for payment as general creditors unless applicable abandoned property law designates another Person.

13. Amendment, Supplement, Waiver, Etc. Without the consent of any Holders, at any time and from time to time, the Company, the Guarantors and the Trustee may enter into one or more Indentures supplemental to the Indenture and the Note Guarantees to, among other things, cure or reform any ambiguity, defect, omission, mistake, manifest error or inconsistency or to conform the Indenture or the Notes to any provision of the "Description of Notes" contained in the Offering Memorandum and to provide additional rights or benefits to the Holders or to make any change that does not adversely affect the rights of any Holder in any material manner. With the consent of the Holders of not less than a majority in aggregate principal amount of the outstanding Notes, the Company, the Guarantors and the Trustee may enter into an indenture or indentures supplemental to the Indenture to make other amendments or modifications, subject to certain exceptions requiring the consent of the Holder of each outstanding Note affected thereby.

14. Purchase of Notes Upon a Change of Control. If a Change of Control occurs, unless the Company has previously or concurrently mailed a redemption notice with respect to all the outstanding Notes pursuant to Section 3.07 of the Indenture, the Company will make a written offer to purchase all of the Notes pursuant to a Change of Control Offer at a Change of Control Purchase Price in cash equal to 101% of the aggregate principal amount thereof plus accrued and unpaid interest to the date of purchase. The Company will not be required to make a Change of Control Offer with respect to the Notes upon a Change of Control if a third party makes such Change of Control Offer contemporaneously with or upon a Change of Control in the manner, at the times and otherwise in compliance with the requirements of the Indenture and purchases all Notes validly tendered and not withdrawn under such Change of Control Offer.

15. Successor Entity. When a successor entity duly assumes all of the obligations and covenants of the Company pursuant to the Indenture and the Notes, except in the case of a lease, the predecessor entity shall be relieved of all such obligations.
16. Defaults and Remedies. Events of Default are set forth in the Indenture. Subject to certain limitations in the Indenture, if an Event of Default with respect to the Notes (other than an Event of Default described in clause (8) or (9) of Section 6.01 of the Indenture with respect to the Company) occurs and is continuing, the Trustee or the Holders of not less than 25% in aggregate principal amount of the Notes may declare to be immediately due and payable the principal of the Notes and any accrued interest on the Notes to be due and payable immediately. If an Event of Default described in clause (8) or (9) of Section 6.01 of the Indenture occurs with respect to the Company, the principal amount of and any accrued interest on the Notes then outstanding shall *ipso facto* become immediately due and payable without any declaration or other act on the part of the Trustee or any Holder. The Trustee shall be under no obligation to exercise any of its rights or powers under the Indenture at the request or direction of any of the Holders, unless such Holders have offered to the Trustee security and indemnity satisfactory to the Trustee. Except in the case of a Default or Event of Default in payment of the principal of, premium, if any, or interest on any Note (including payments pursuant to a redemption or repurchase of the Notes pursuant to the provisions of the Indenture), the Trustee may withhold the notice if and so long as the board of directors, the executive committee or a trust committee of its directors and/or Responsible Officers in good faith determines that withholding the notice is in the interests of Holders.
17. Trustee Dealings with Company. The Trustee or its Affiliates in its individual or any other capacity may become the owner or pledgee of Notes and may make loans to, accept deposits from, perform services for or otherwise deal with the Company or any Affiliate thereof with the same rights it would have if it were not Trustee.
18. No Recourse Against Others. No director, manager, officer, employee, stockholder, member, general or limited partner or incorporator, past, present or future, of the Company or any of its Subsidiaries, as such or in such capacity, shall have any personal liability for any obligations of the Company under the Notes, any Note Guarantee or the Indenture by reason of his, her or its status as such director, manager, officer, employee, stockholder, member, general or limited partner or incorporator. Each Holder of Notes by accepting a Note waives and releases all such liability. The waiver and release are part of the consideration for the issuance of the Notes and Note Guarantees.
19. Discharge. The Company's obligations pursuant to the Indenture will be discharged, except for obligations pursuant to certain sections thereof, subject to the terms of the Indenture, upon the payment or cancellation of all the Notes or upon the irrevocable deposit with the Trustee of funds in an amount sufficient to pay and discharge the entire indebtedness on the Notes, not theretofore delivered to the Trustee for cancellation, for principal of, premium, if any, and interest to the Stated Maturity or Redemption Date.
20. Guarantees. The Company's obligations under the Notes are jointly and severally, fully and unconditionally guaranteed, to the extent set forth in the Indenture, by each of the Guarantors.
21. Covenant Suspension Event. In the event of the occurrence of a Covenant Suspension Event, as defined in the Indenture, the Company and its Restricted Subsidiaries will no longer be subject to Sections 4.07, 4.08, 4.09, 4.10, 4.11, 4.13 and 4.15 of the Indenture with respect to the Notes.
22. Authentication. This Note shall not be valid until the Trustee manually signs the certificate of authentication on this Note.

24. Governing Law. THE INTERNAL LAW OF THE STATE OF NEW YORK WILL GOVERN AND BE USED TO CONSTRUE THIS NOTE WITHOUT GIVING EFFECT TO APPLICABLE PRINCIPLES OF CONFLICTS OF LAW TO THE EXTENT THAT THE APPLICATION OF THE LAWS OF ANOTHER JURISDICTION WOULD BE REQUIRED THEREBY.

25. Abbreviations. Customary abbreviations may be used in the name of a Holder or an assignee, such as: TEN COM (= tenants in common), TENANT (= tenants by the entireties), JT TEN (= joint tenants with right of survivorship and not as tenants in common), CUST (= Custodian), and U/G/M/A (= Uniform Gifts to Minors Act).

**ALLIANCE DATA INCREASES LIQUIDITY BY \$750.5 MILLION**

**DALLAS, Texas – April 2, 2012** – Alliance Data Systems Corporation (NYSE: ADS), a leading provider of loyalty and marketing solutions derived from transaction-rich data, today announced that the Company increased liquidity at the corporate level through two transactions totaling \$750.5 million. This new corporate-level liquidity is in addition to the available liquidity at the Company's two private label credit card bank subsidiaries, which themselves, totaled \$2.2 billion at December 31, 2011.

In the first transaction, the Company issued \$500 million of senior notes, the first high-yield bond offering in the Company's history, at a rate of 6.375% and maturing in 2020. Entering the public bond market provides Alliance Data with an additional liquidity source for future capital raises. The Company initially contemplated an offering of \$350 million of senior notes, but based on demand, the Company upsized the bond deal by \$150 million. In addition to the bond raise, the Company raised \$250.5 million of bank debt at LIBOR plus 200 basis points and extended the maturity of its Term Loan A to 2017. All in, the Company raised \$750.5 million at a blended rate of approximately 5.10%. Proceeds will be used to pay down the outstanding balance of the Company's revolving credit facility with the remainder as additional cash for general corporate purposes.

Charles Horn, chief financial officer of Alliance Data, said, "Our initial goal for 2012 was to increase liquidity to \$1.5 billion by year-end via the continuation of our capital strategy of retaining free cash flow while also sourcing long-term stable funding as a liquidity cushion. Once we add in our expected free cash flow for this year, we are very confident that we will exceed our liquidity goal by year-end and are nicely on-track to bring our leverage ratio under 2x by the end of the year. Further, our strong liquidity position gives us the financial flexibility to continue to be opportunistic in supporting the future growth of the business."

The senior notes were offered and sold in the United States to qualified institutional buyers in reliance on Rule 144A under the Securities Act of 1933, as amended (the "Securities Act") and outside the United States to non-U.S. persons in reliance on Regulation S under the Securities Act. The senior notes will not be registered under the Securities Act and may not be offered or sold without registration unless pursuant to an exemption from, or in a transaction not subject to, the registration requirements of the Securities Act and all applicable state laws. This press release shall not constitute an offer to sell or the solicitation of an offer to buy, nor shall there be any sale of the senior notes in any state in which such offer, solicitation or sale would be unlawful prior to registration or qualification under the securities laws of any such state.
